

US map of Power Plants and AQS monitors

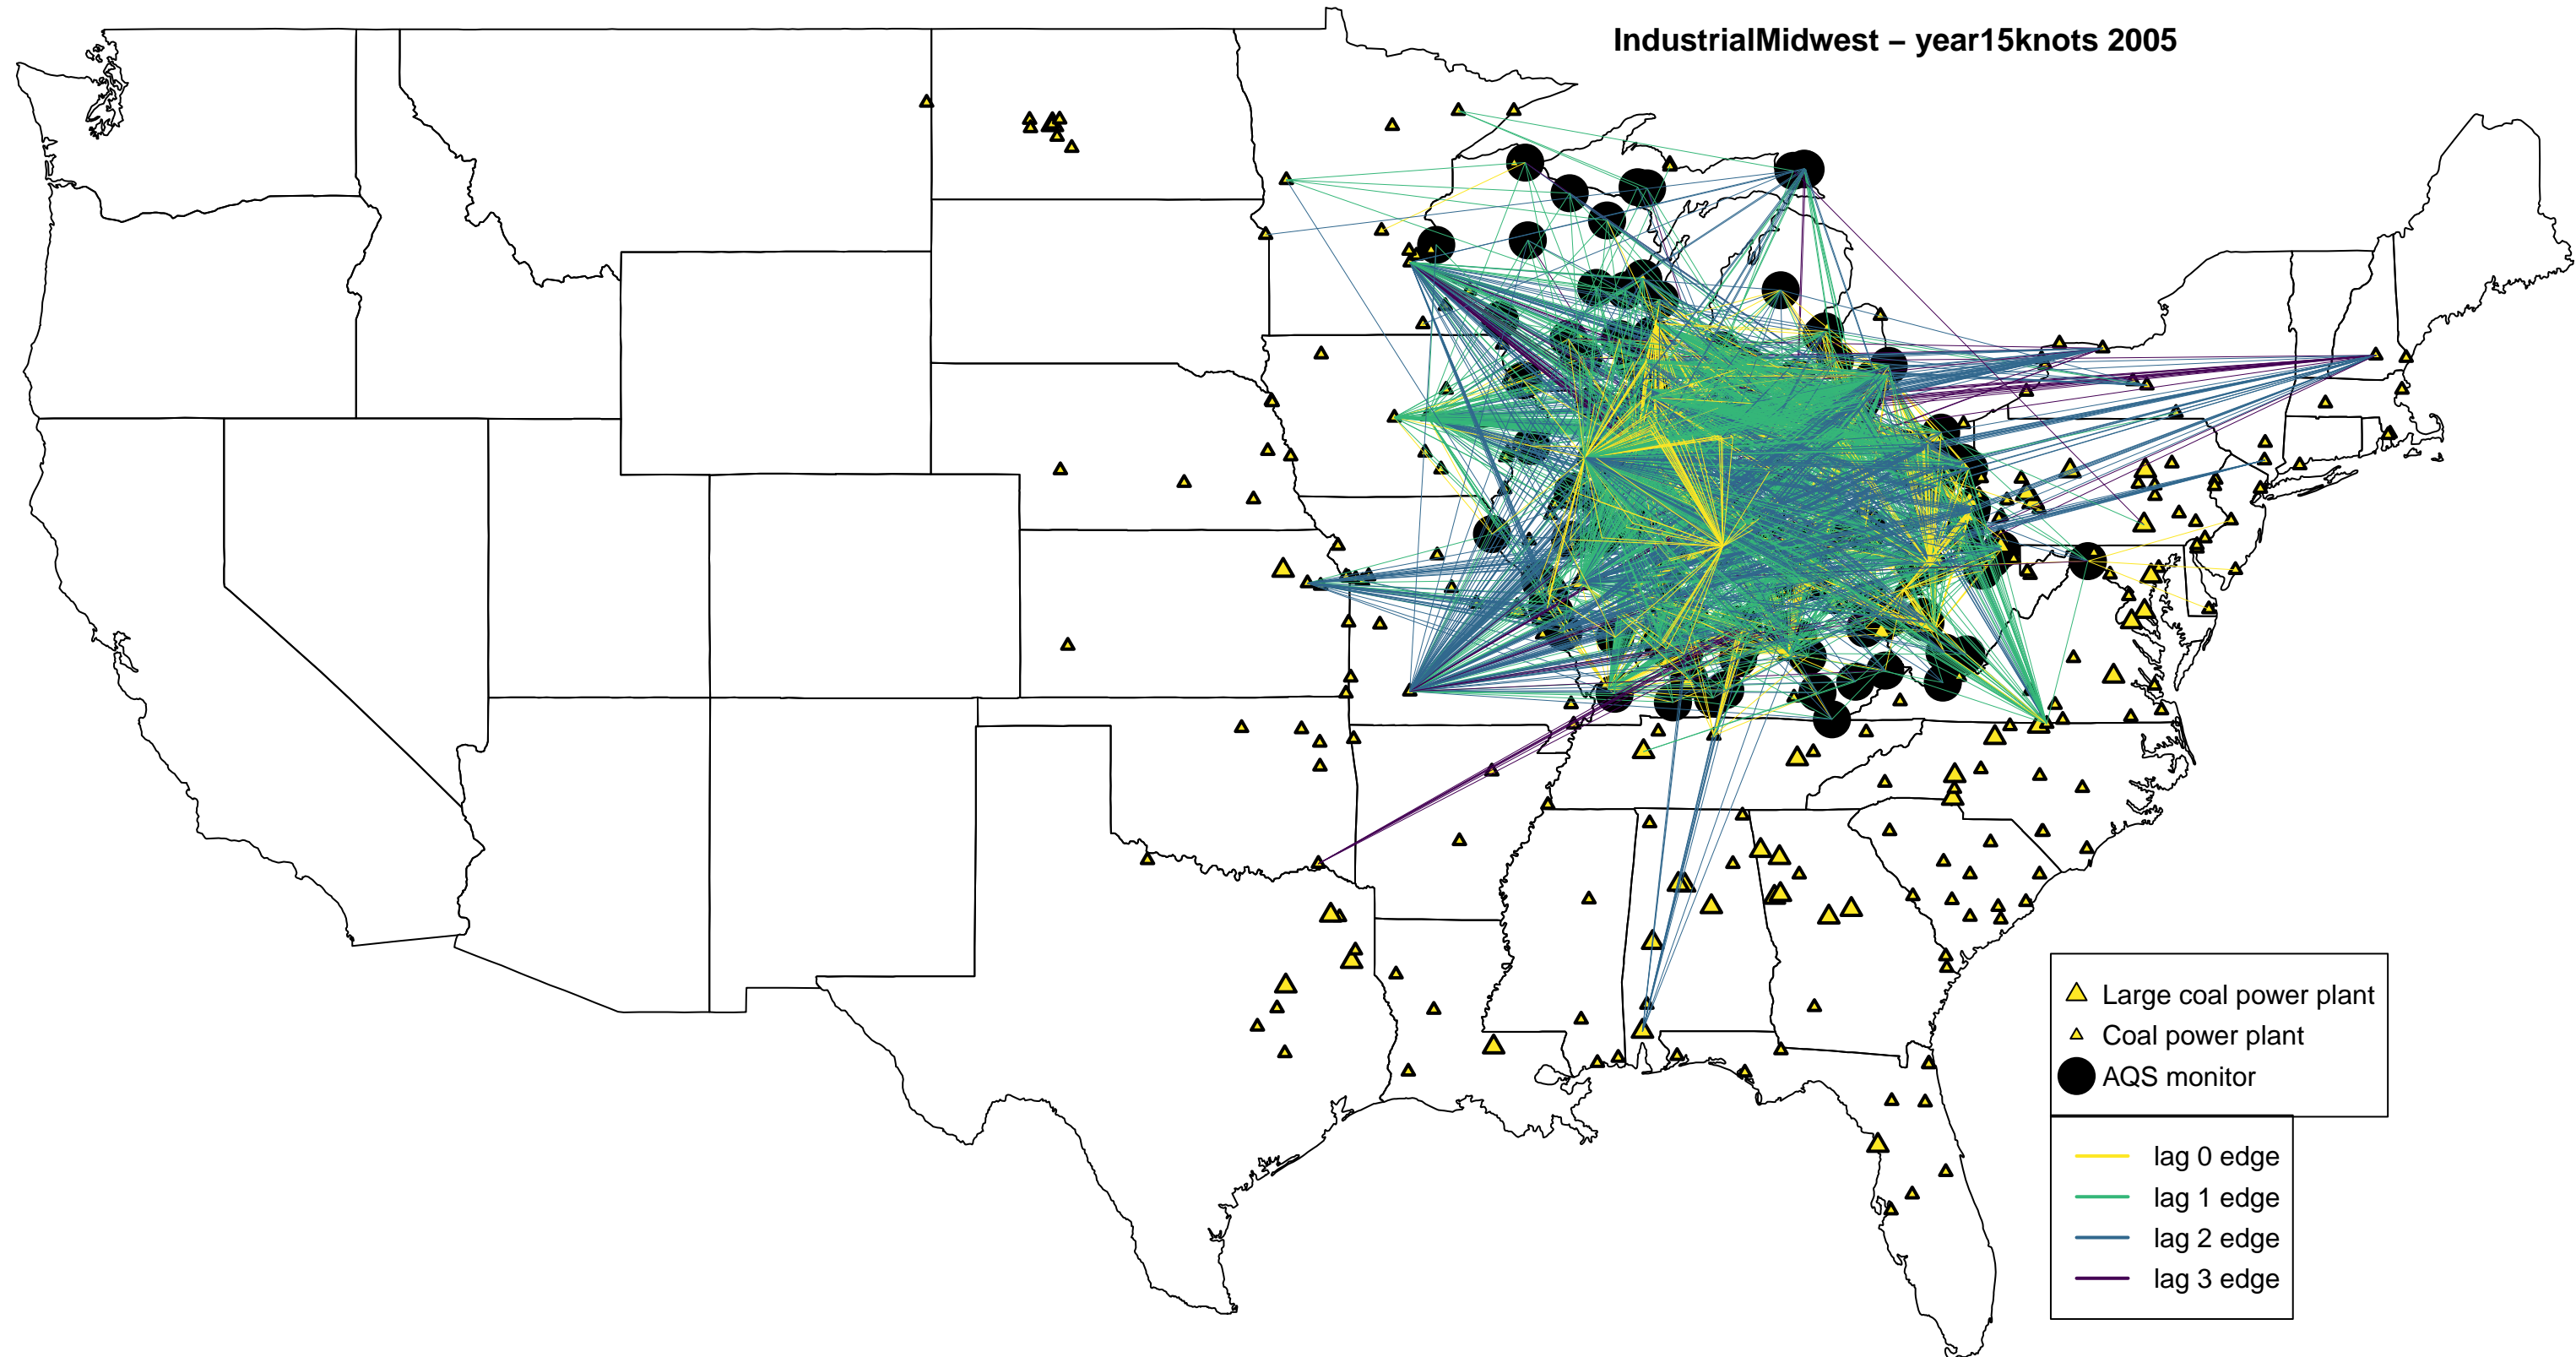

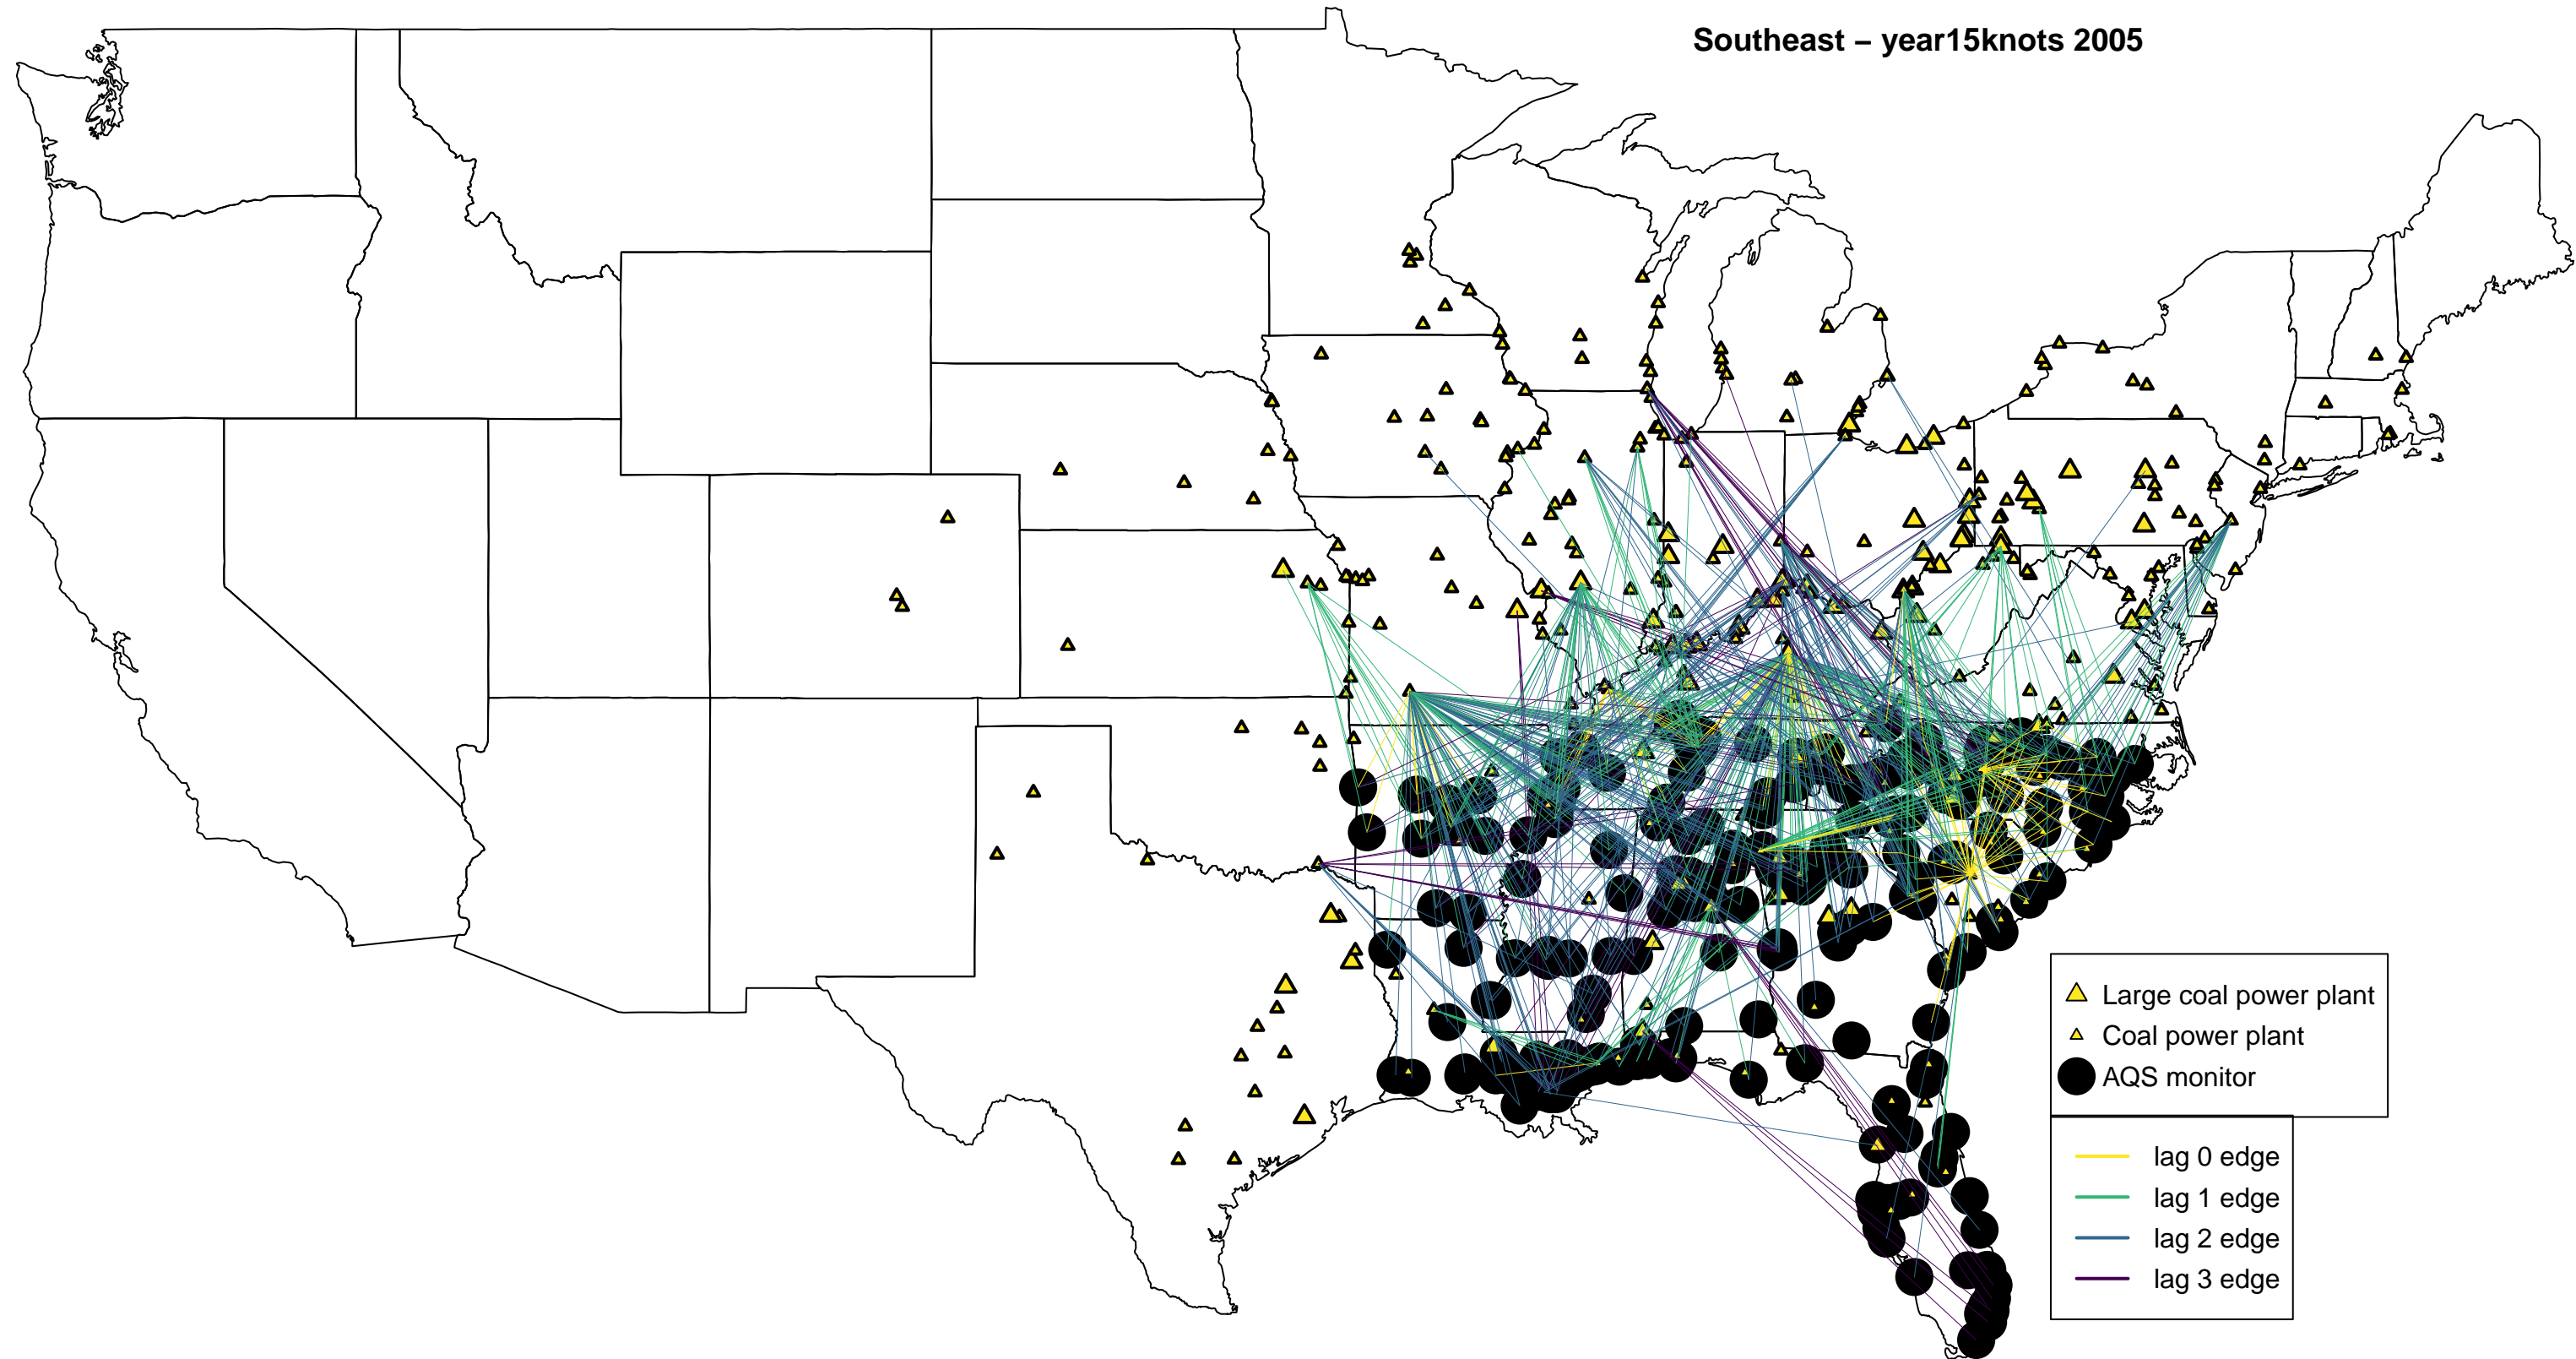

Northeast – year15knots 2005

IndustrialMidwest – year15knots 2005

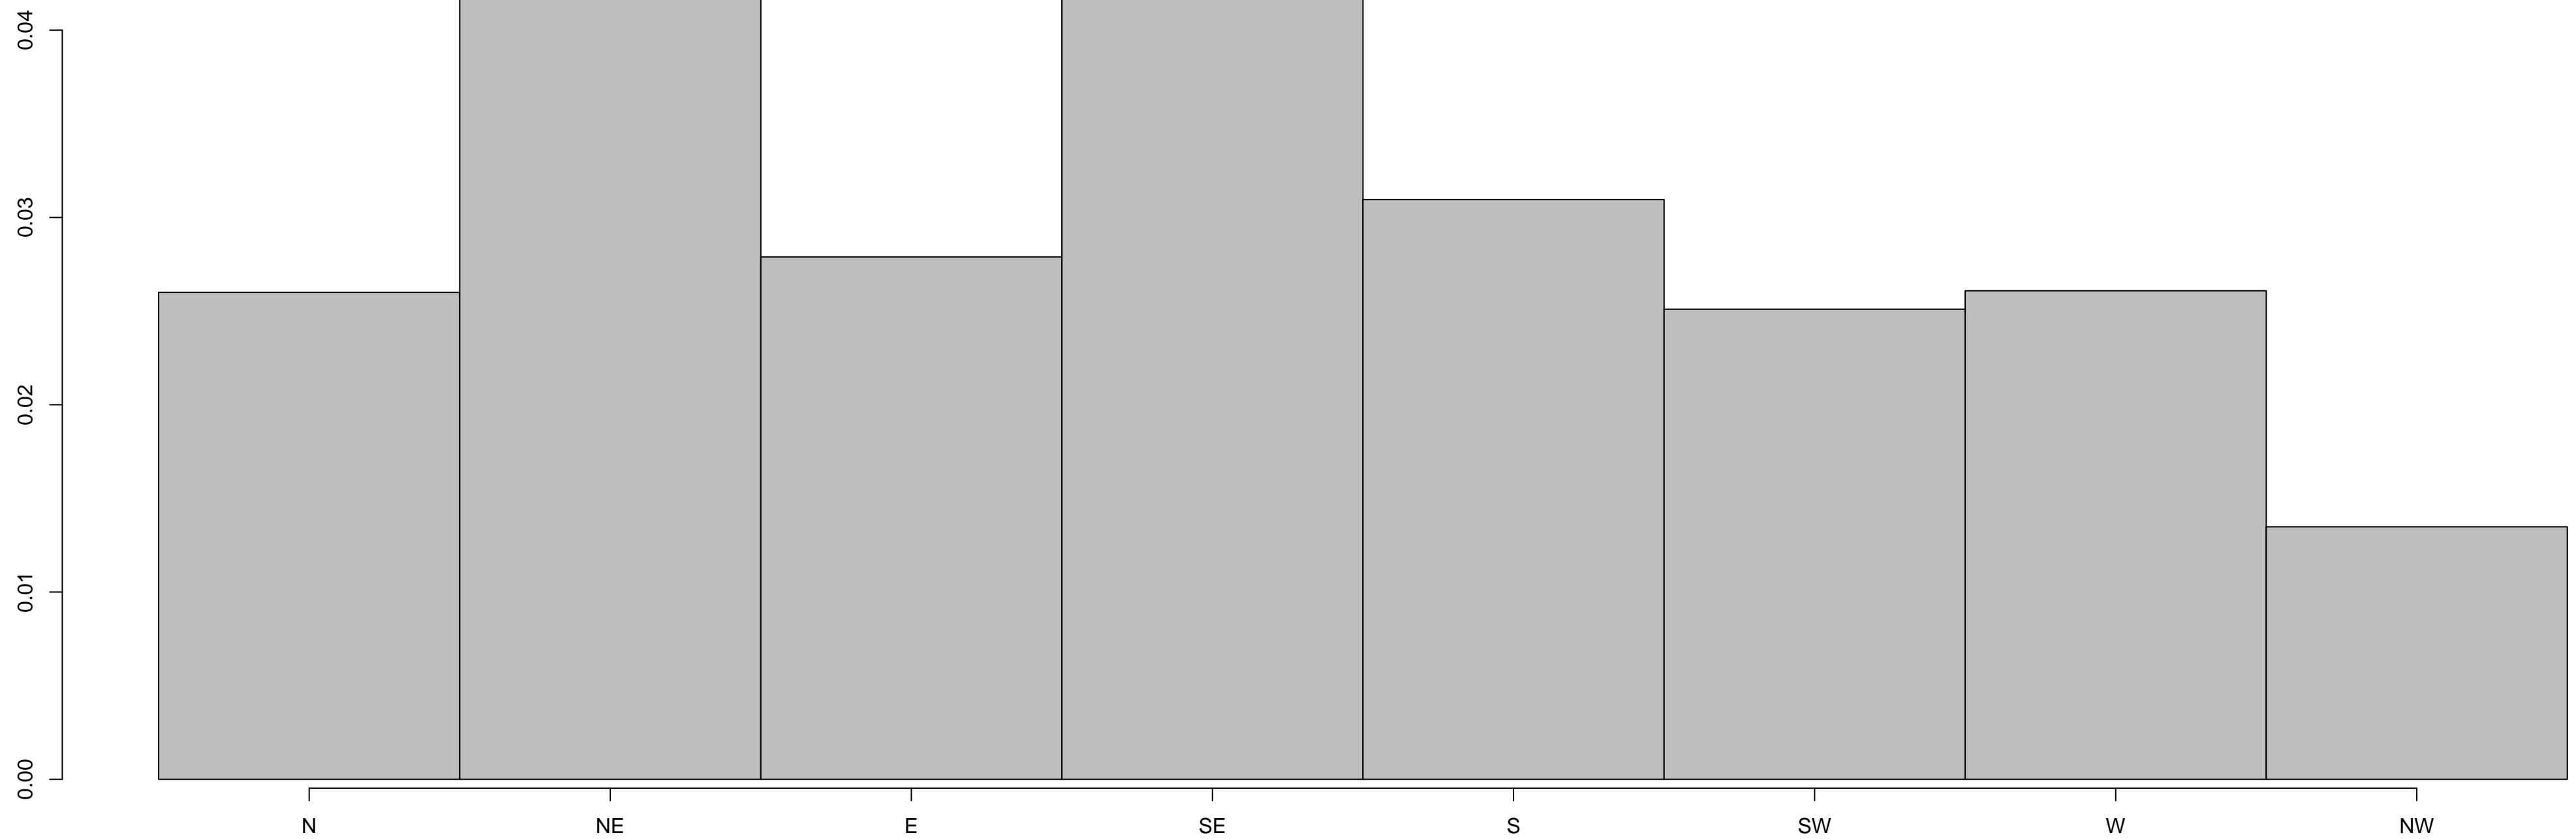

Southeast – year15knots 2005

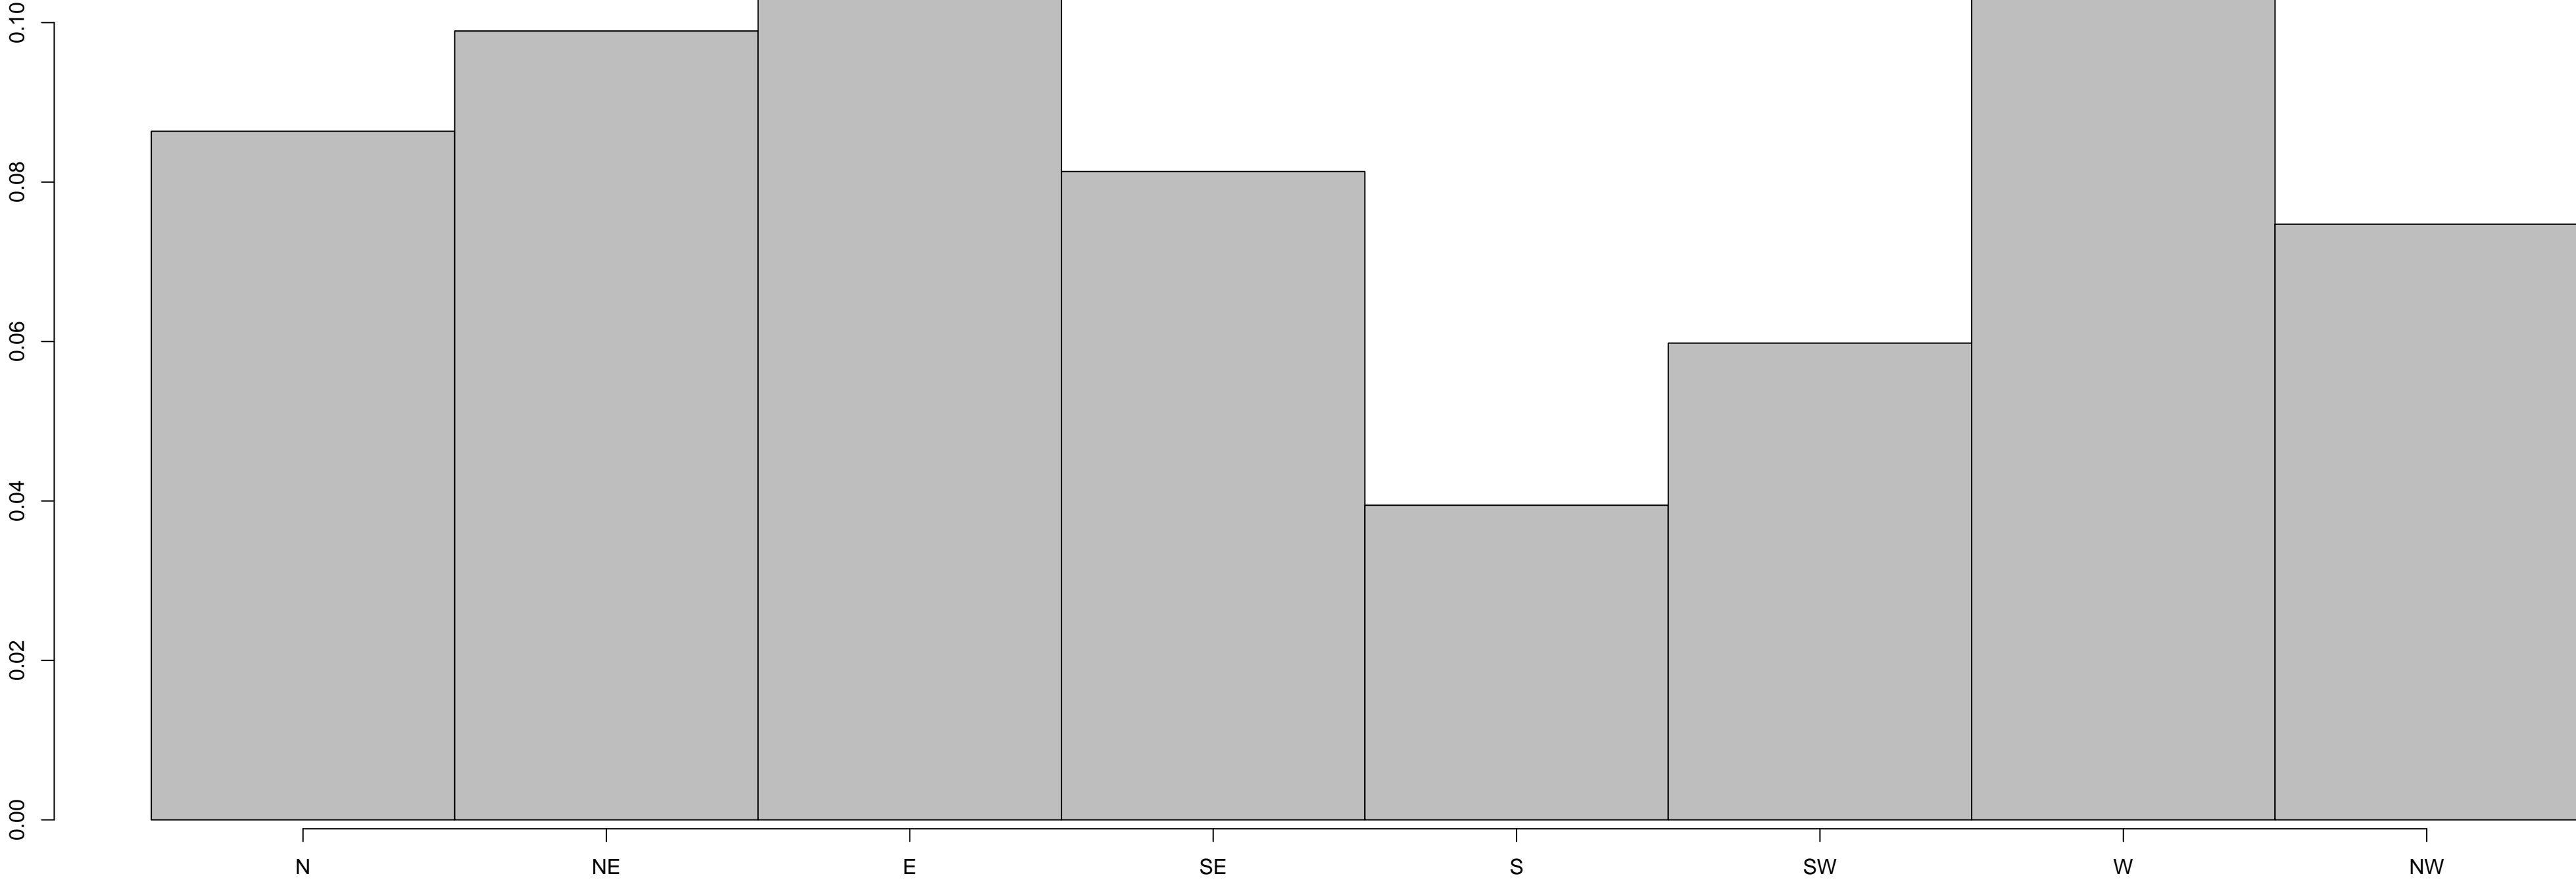

Edge Probability by Lag

Edge Probability by Direction from Power Plant to Receptor (Northeast Power Plants)

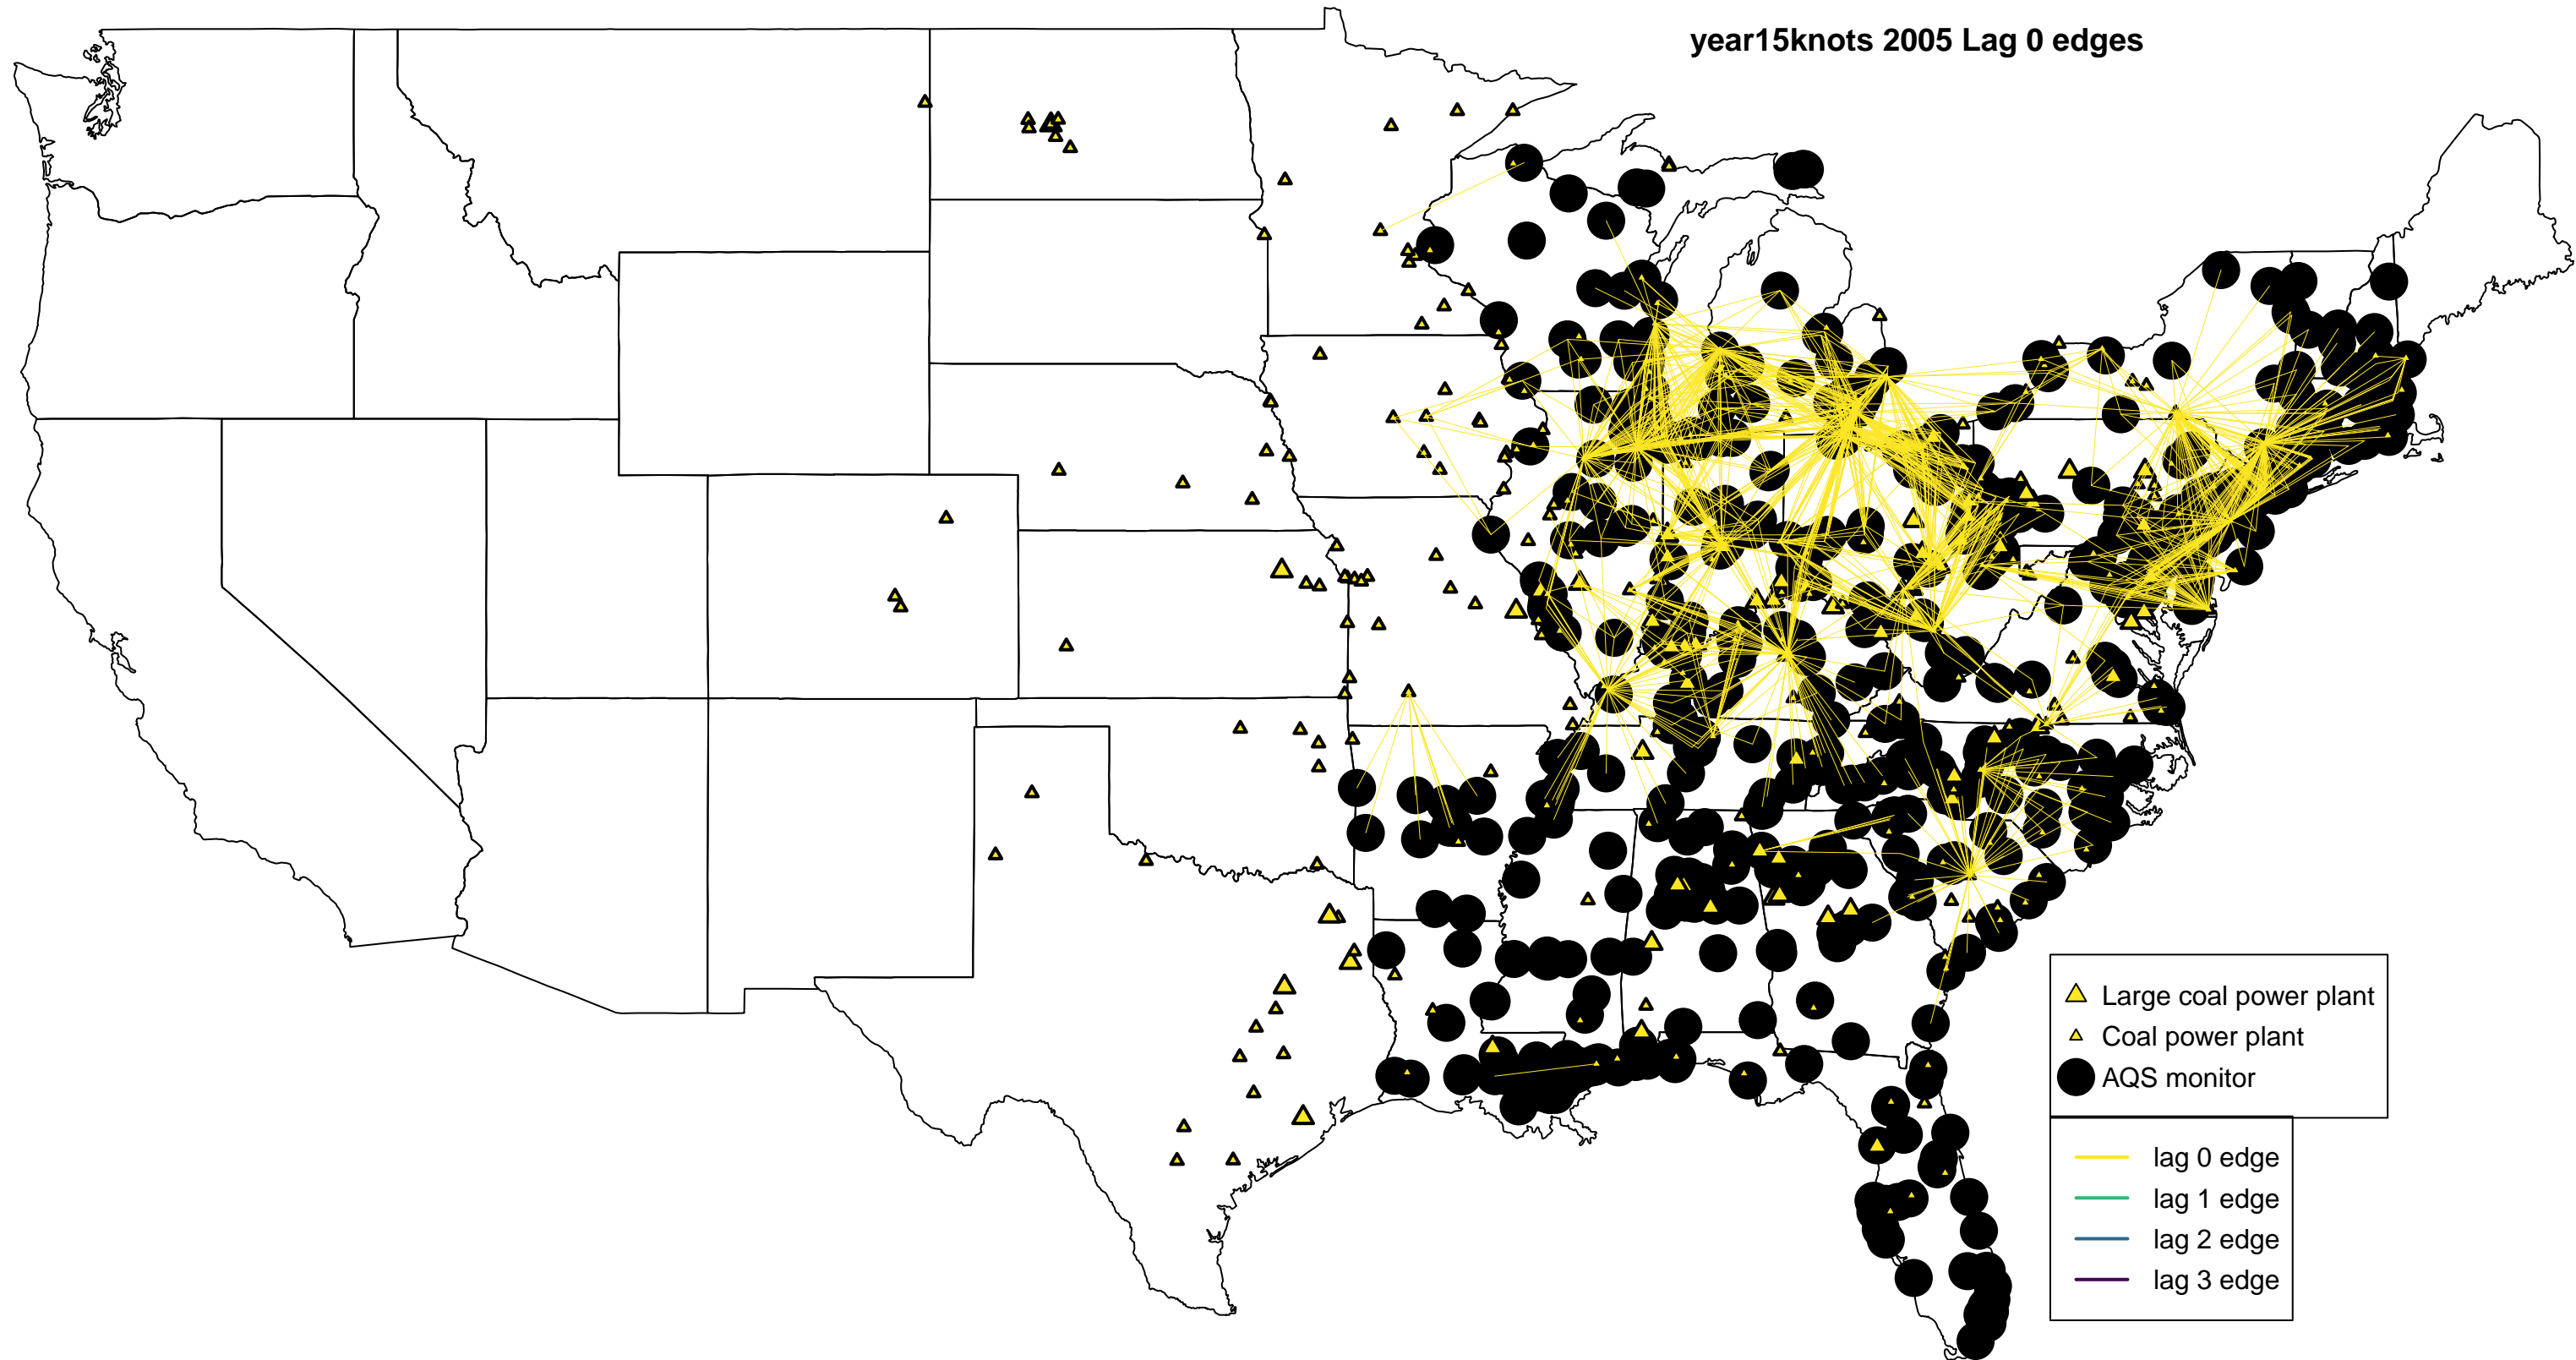

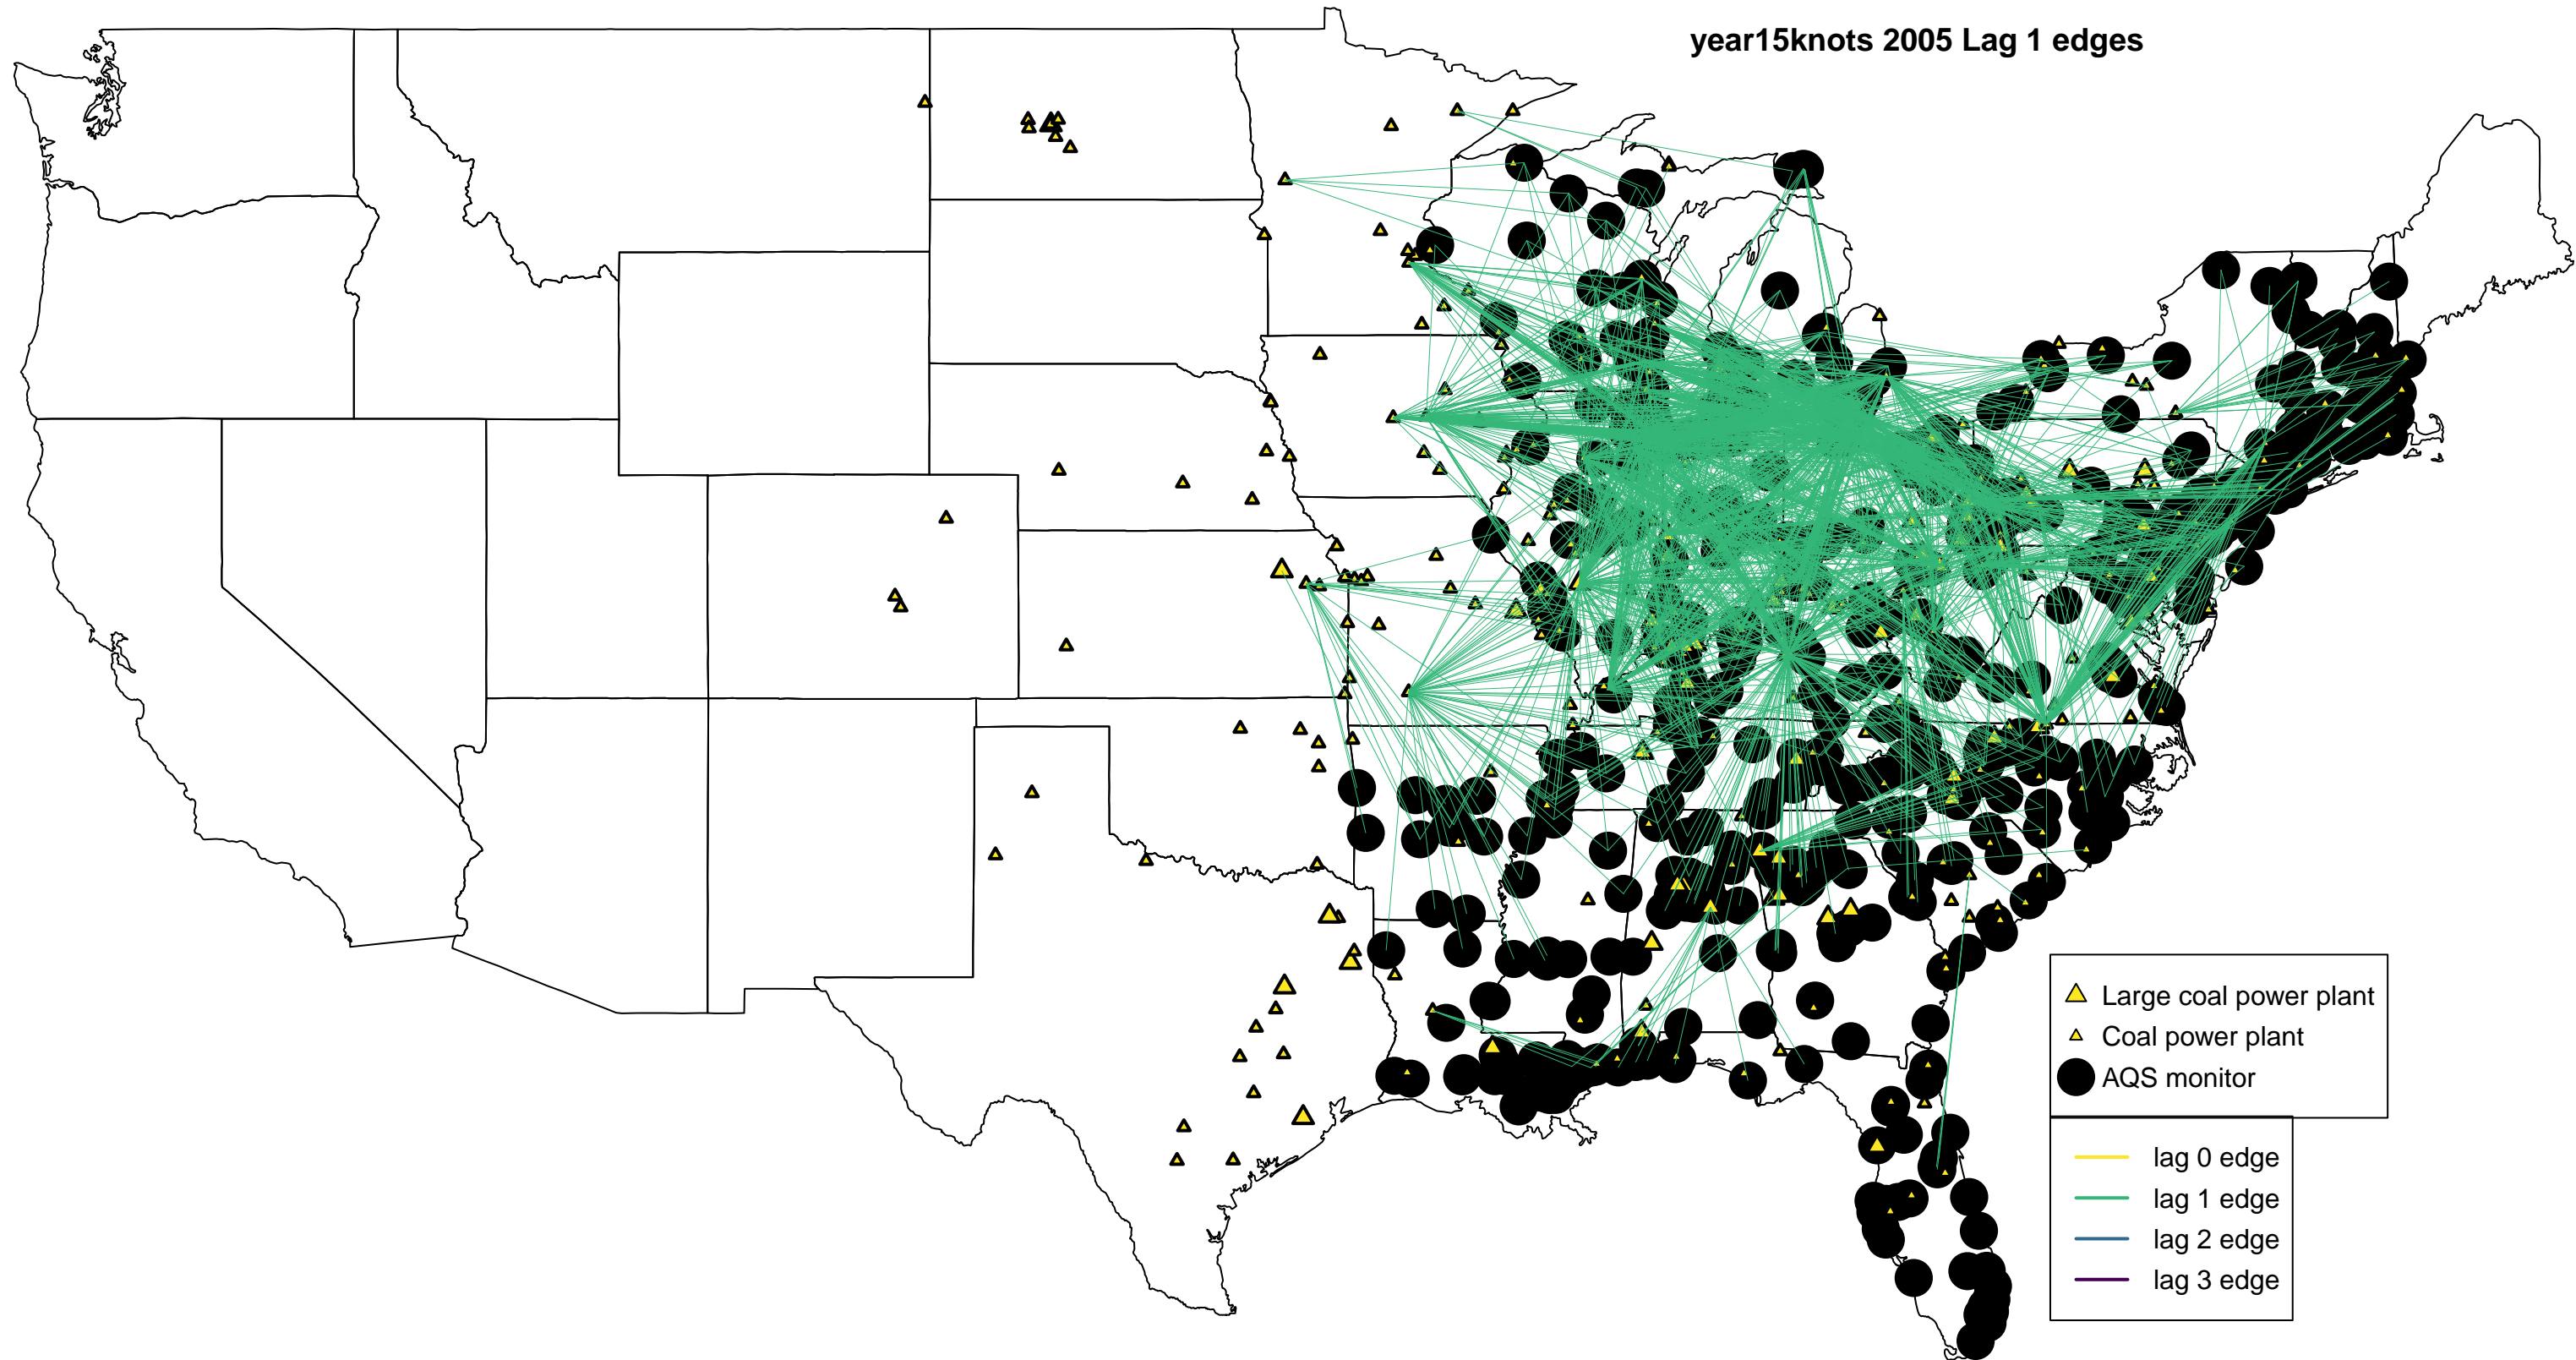

Edge Probability by Direction from Power Plant to Receptor (IndustrialMidwest Power Plants)

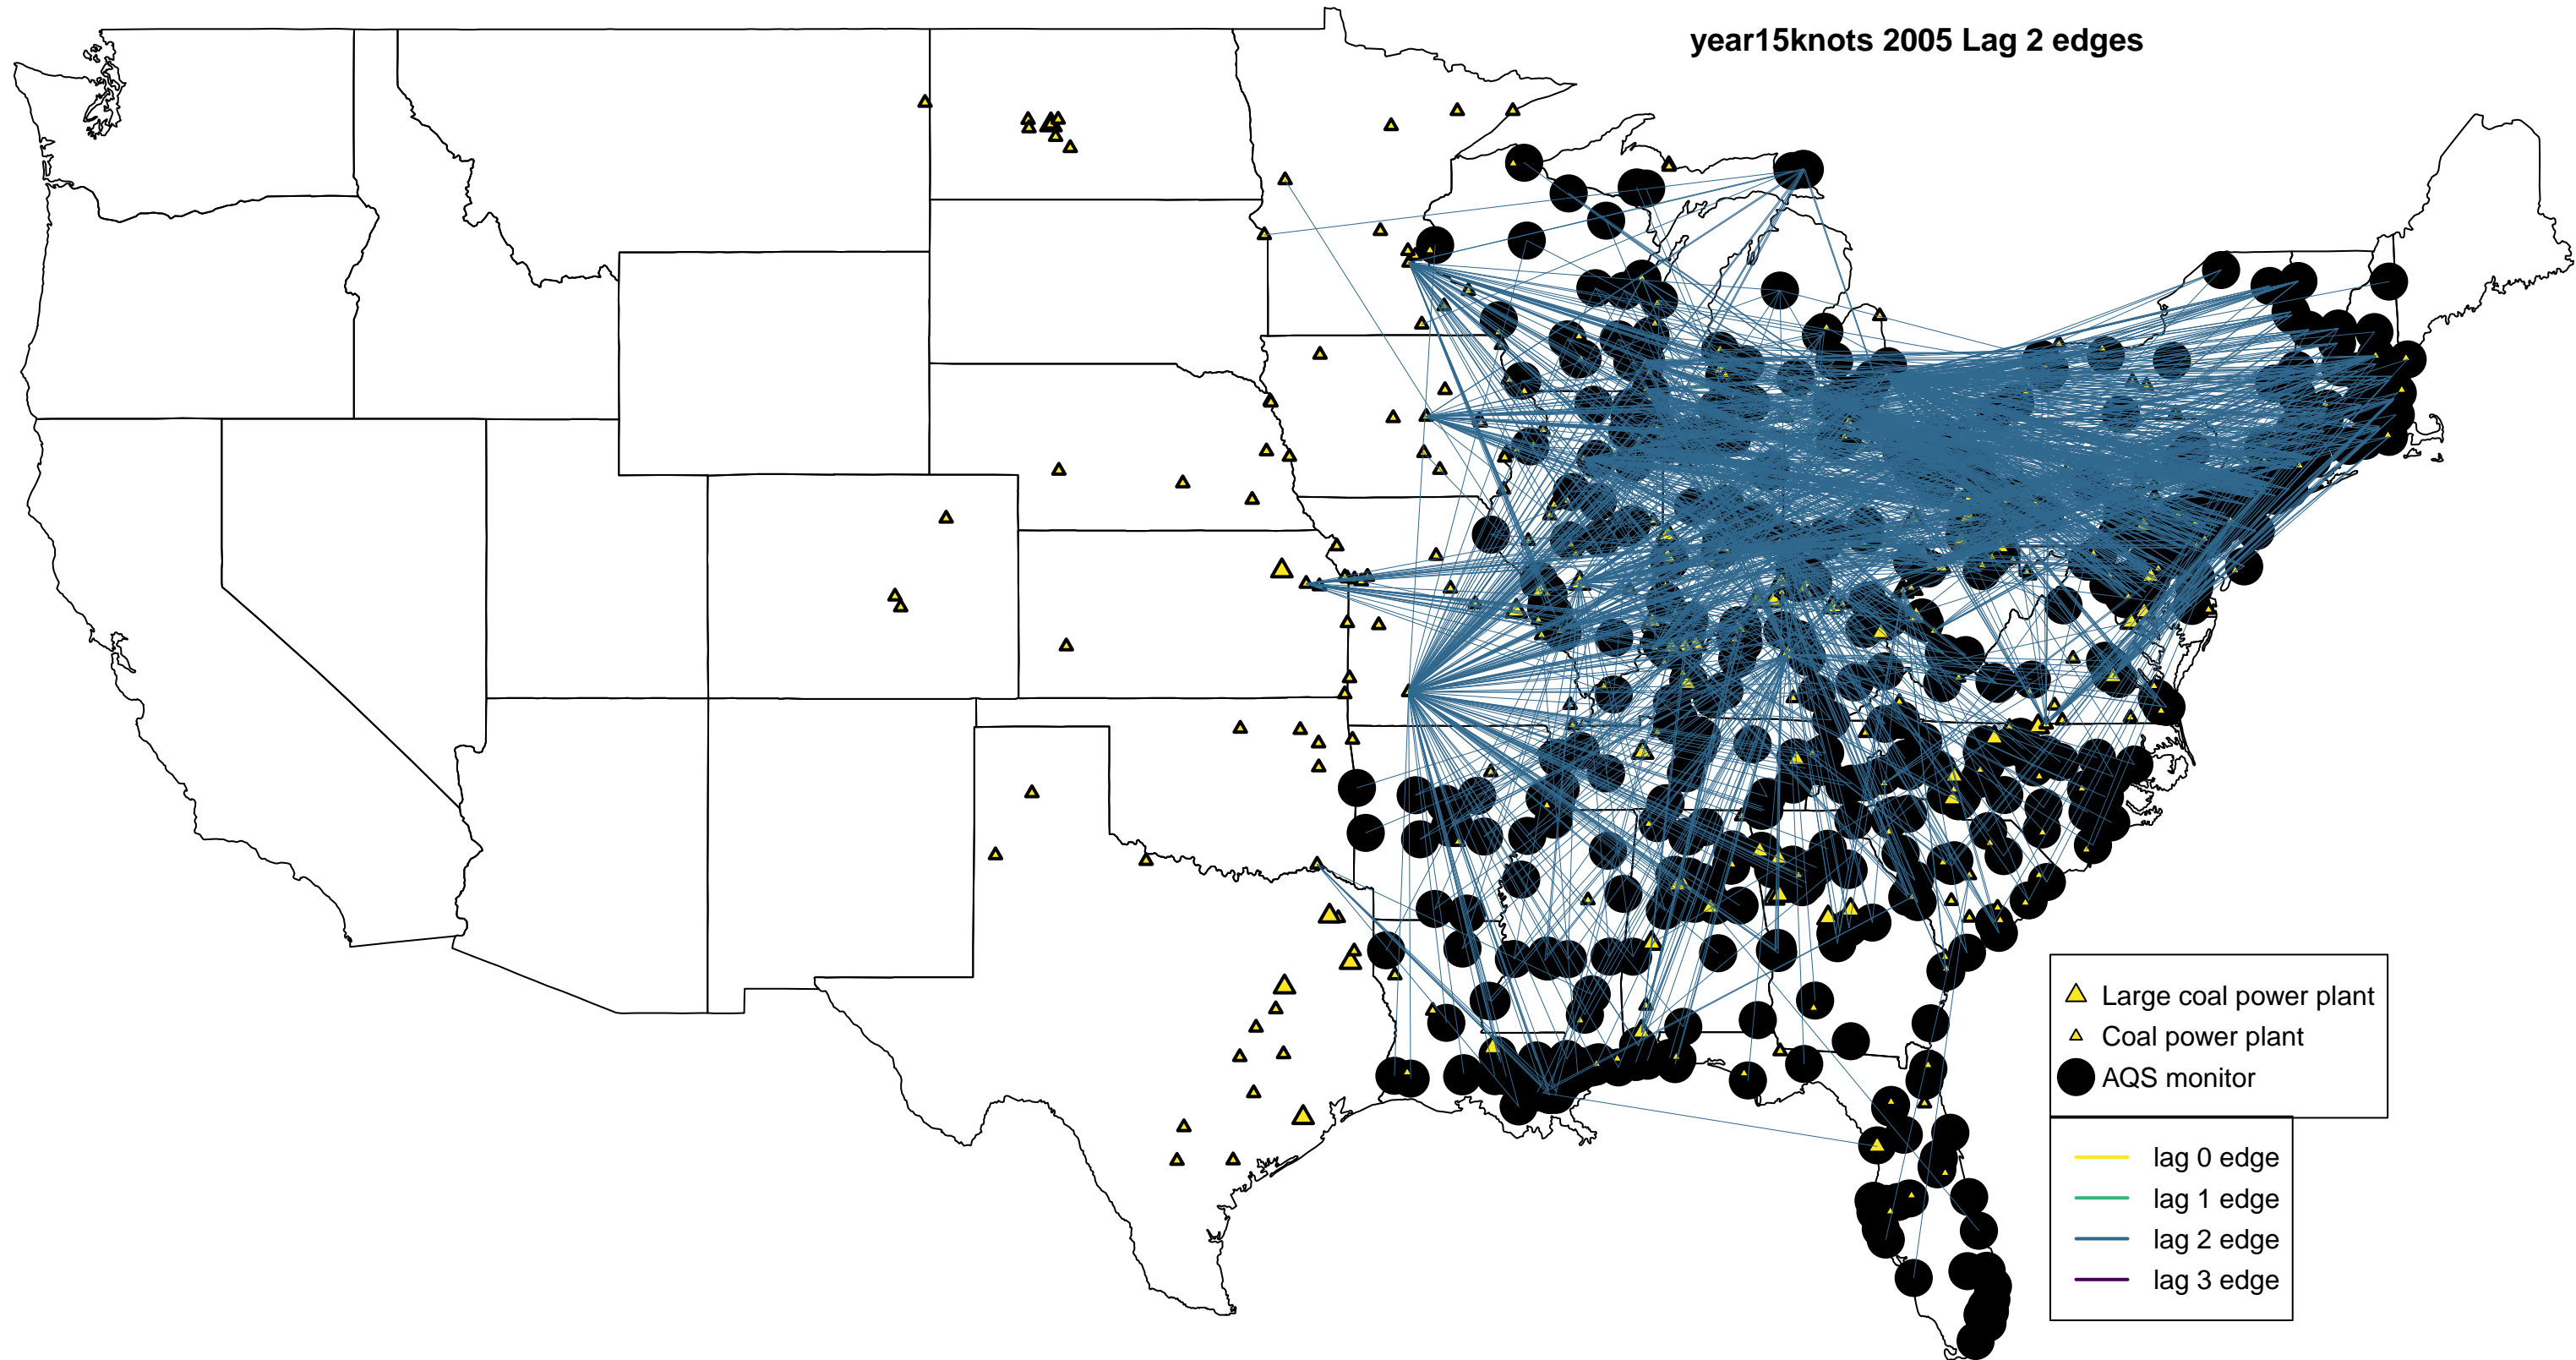

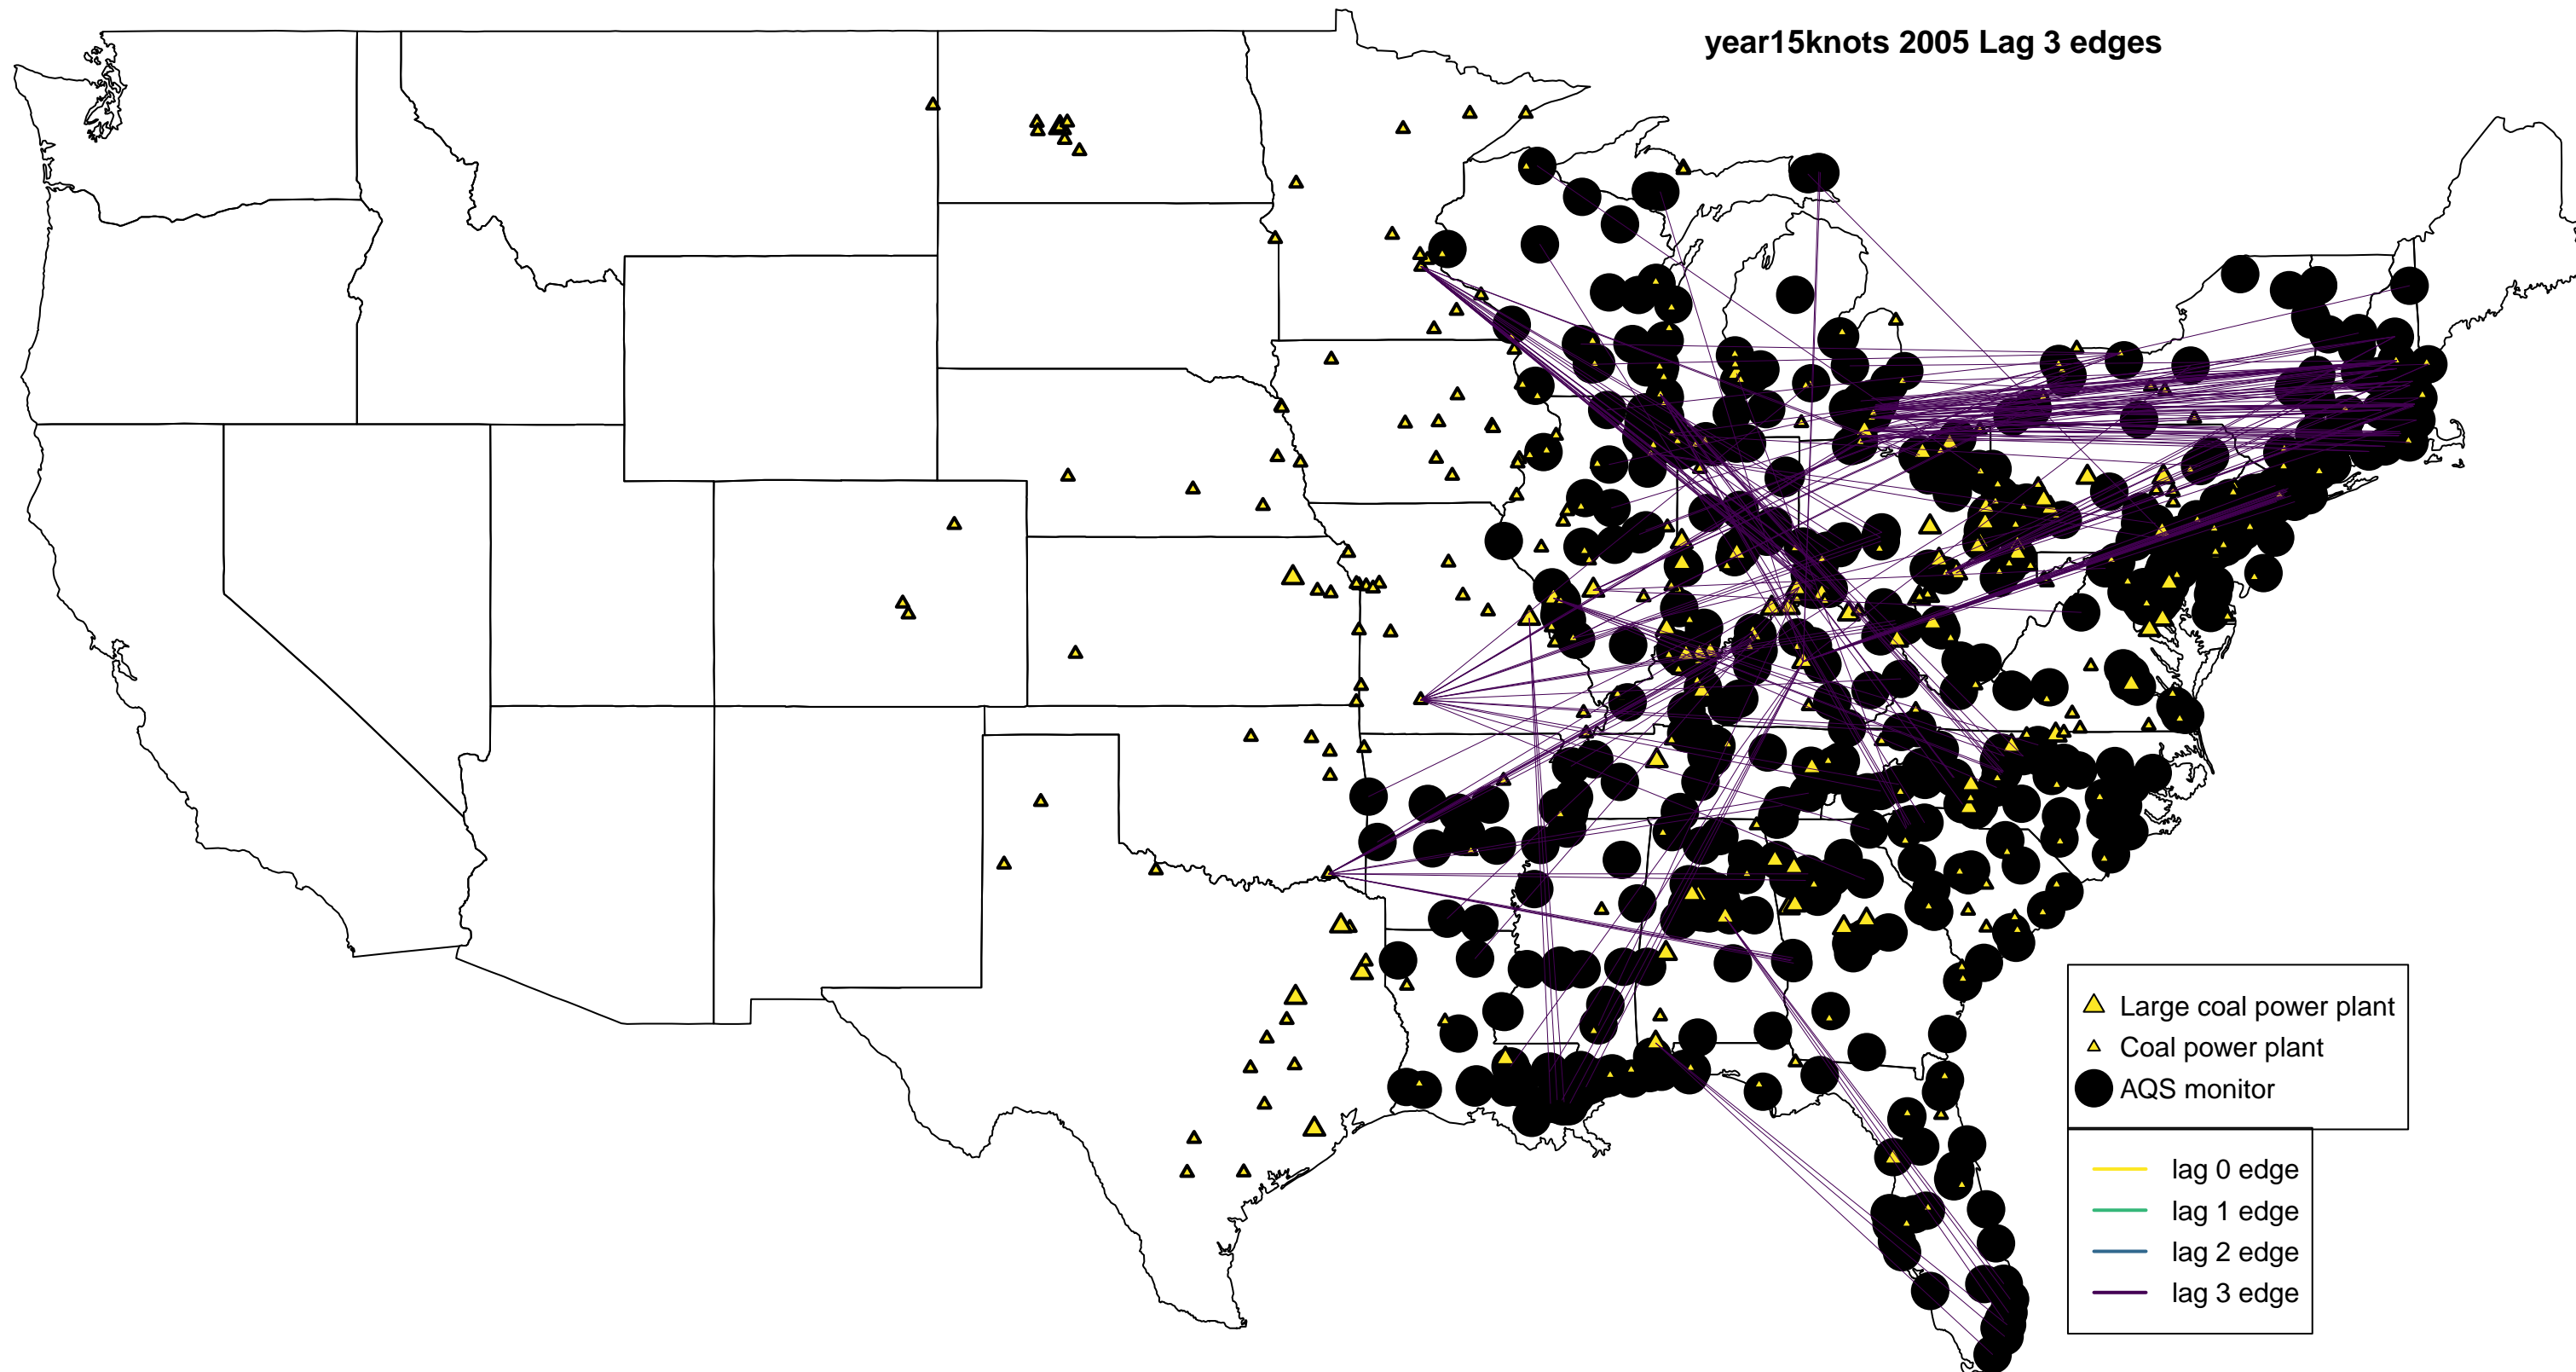

Edge Probability by Direction from Power Plant to Receptor (Southeast Power Plants)

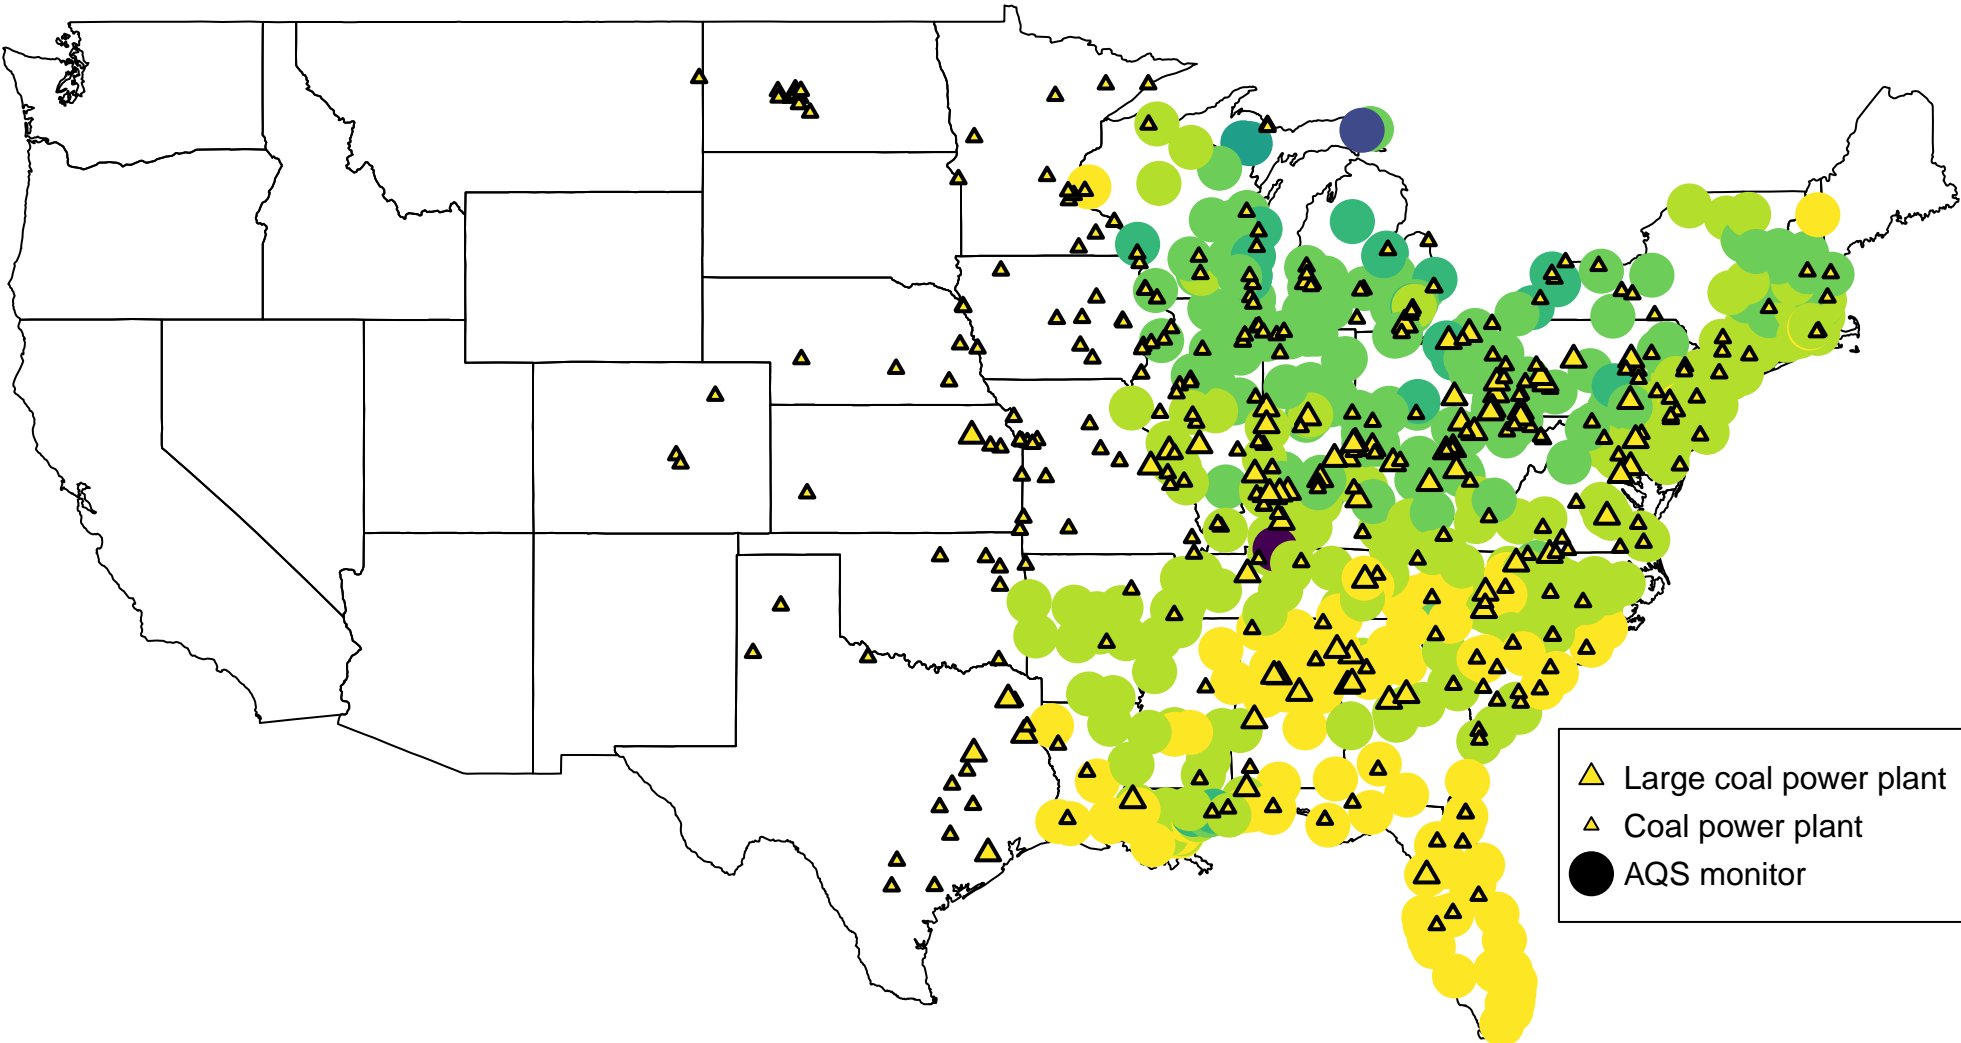

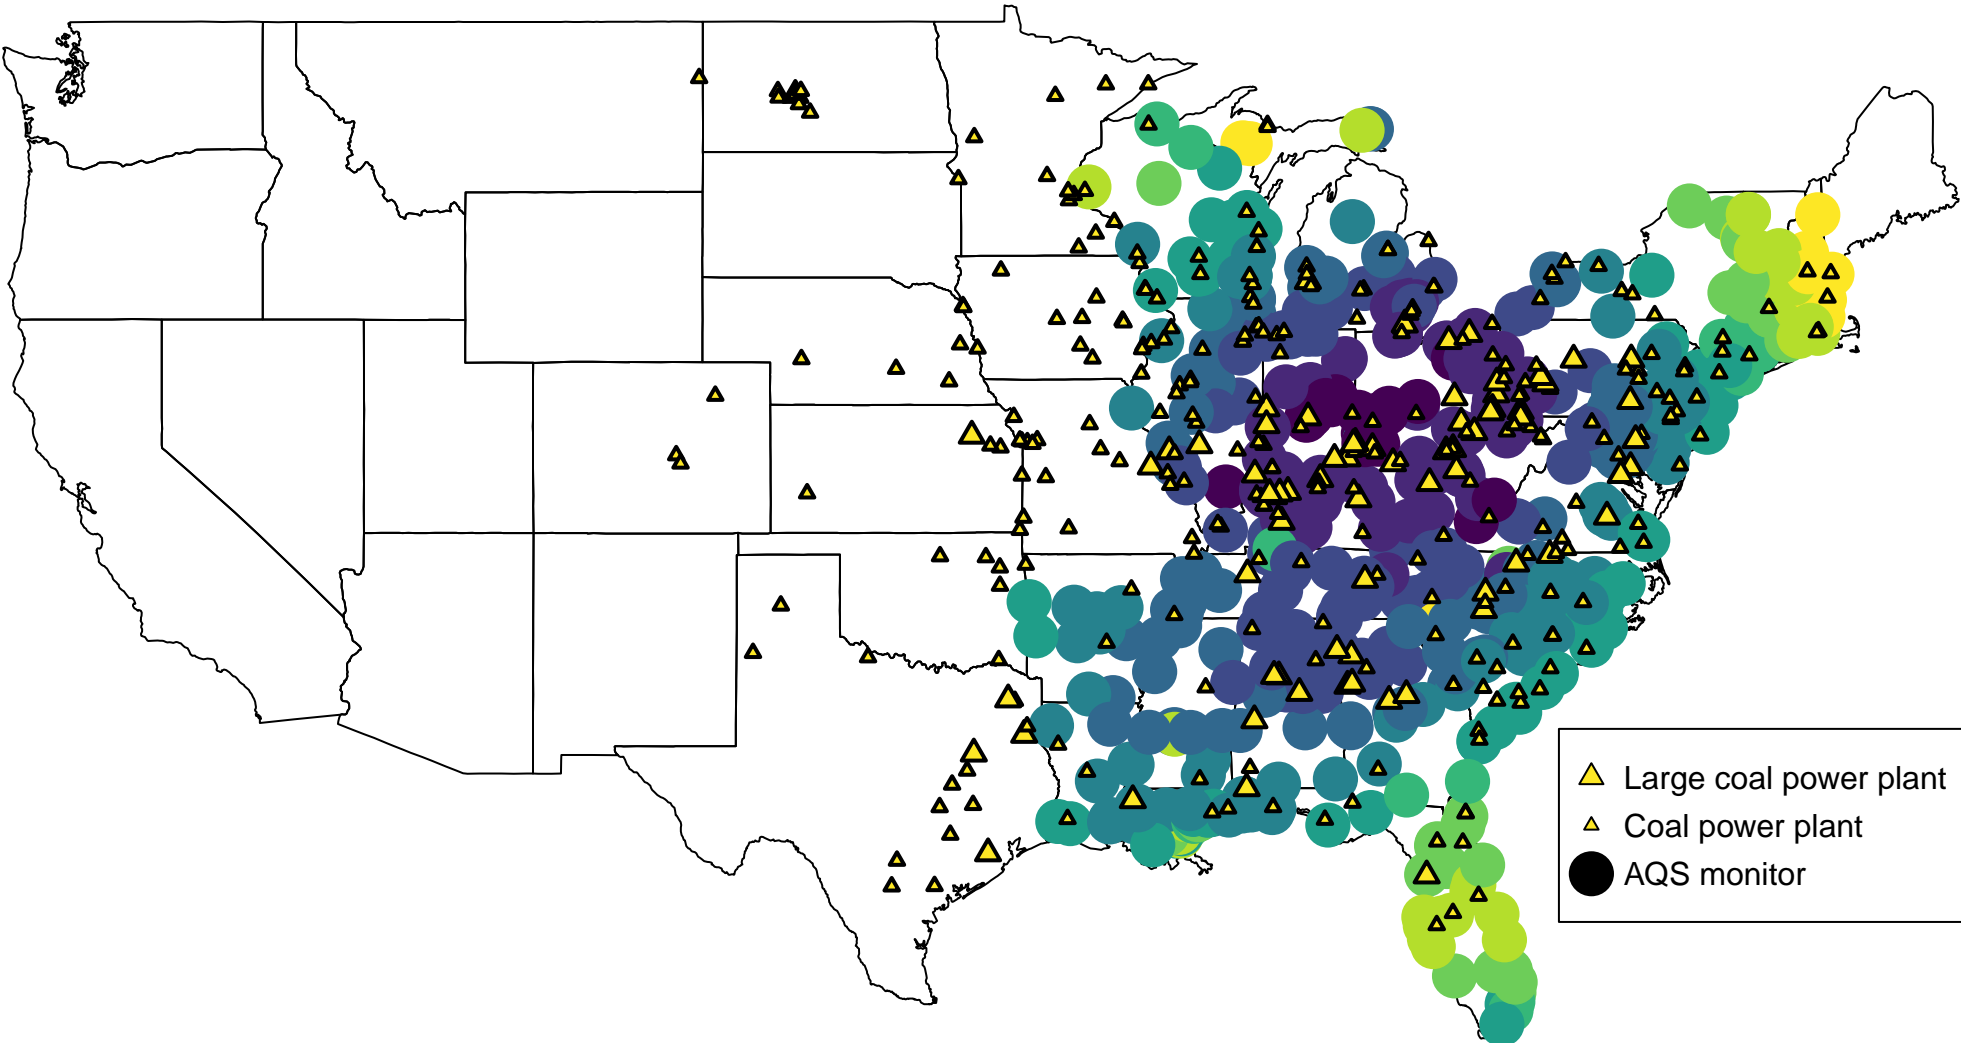

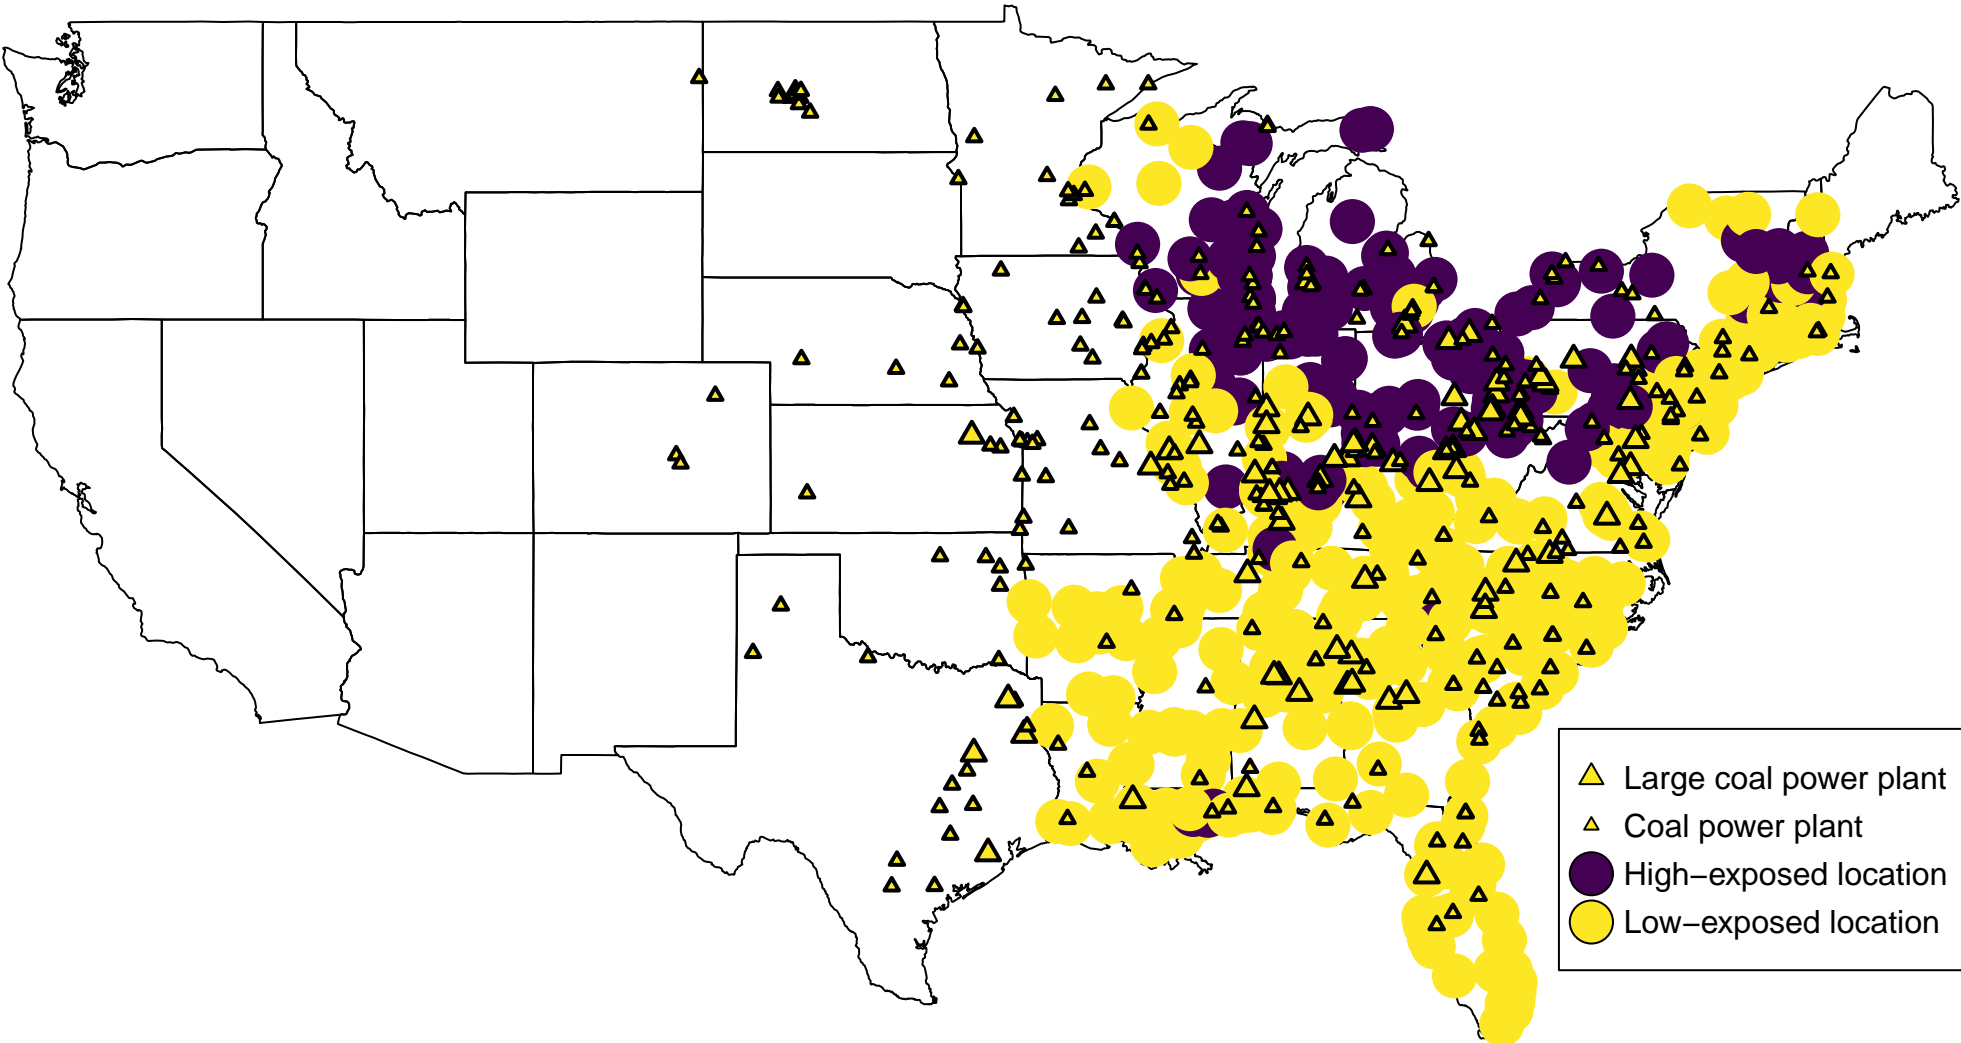

sum of gams.coeff year15knots 2005
