

US map of Power Plants and AQS monitors

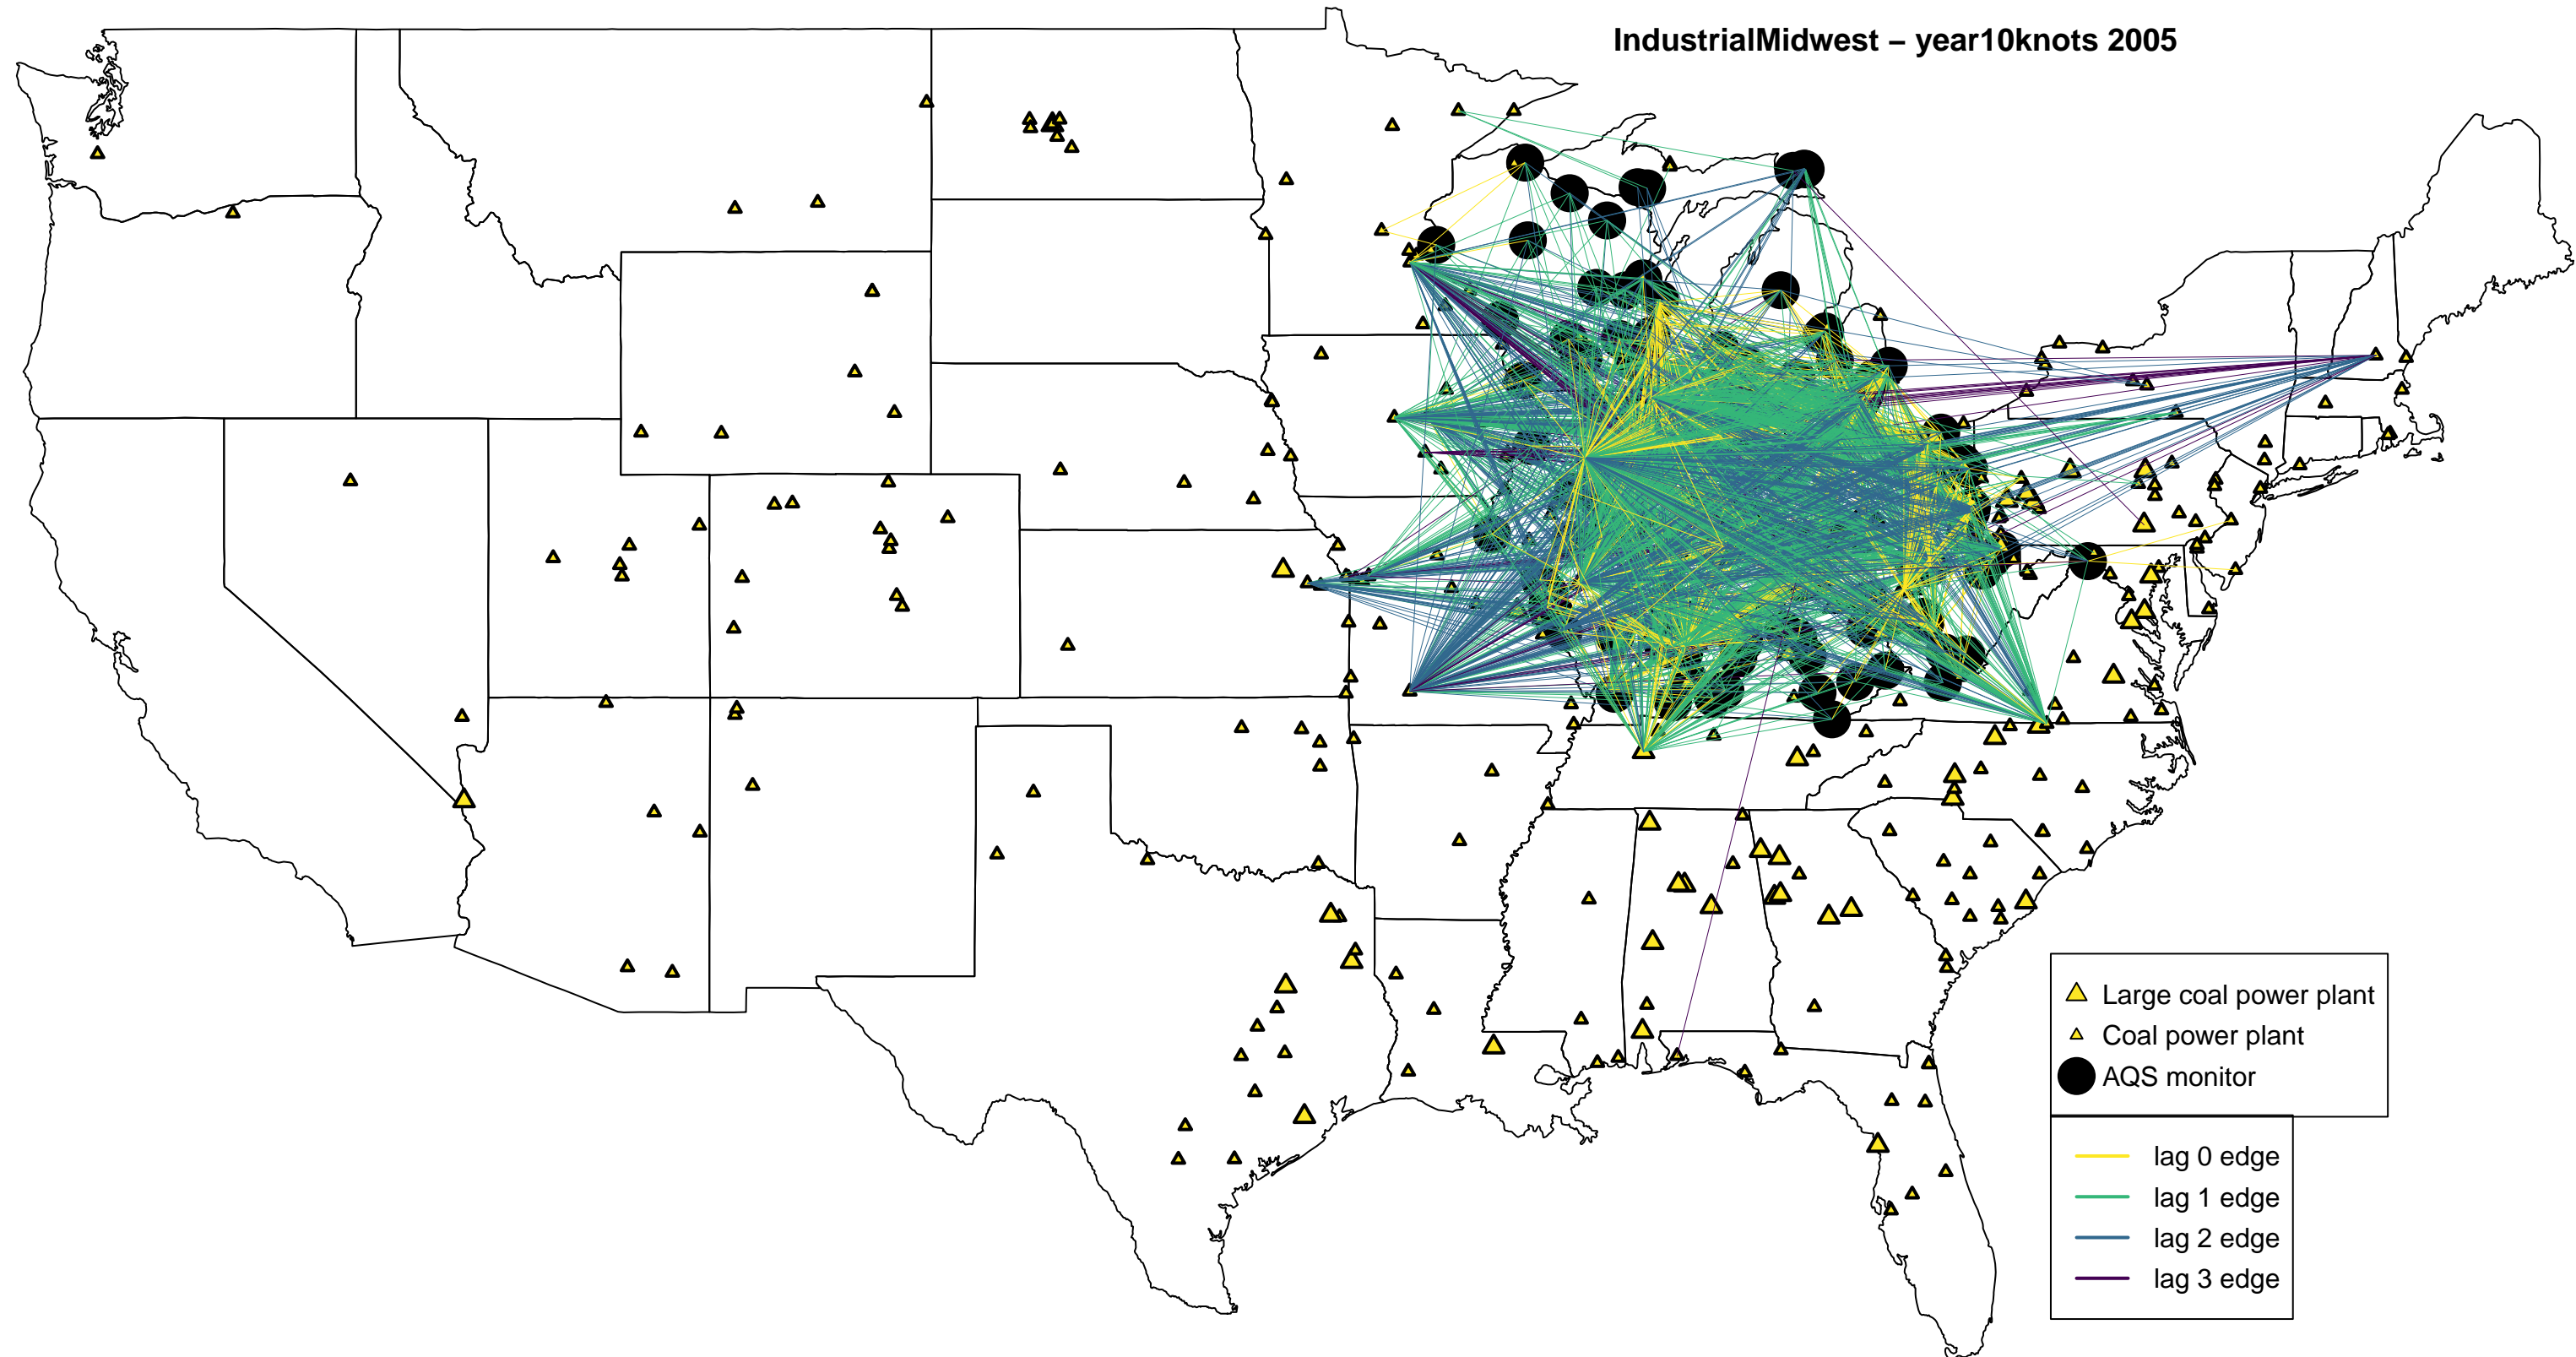

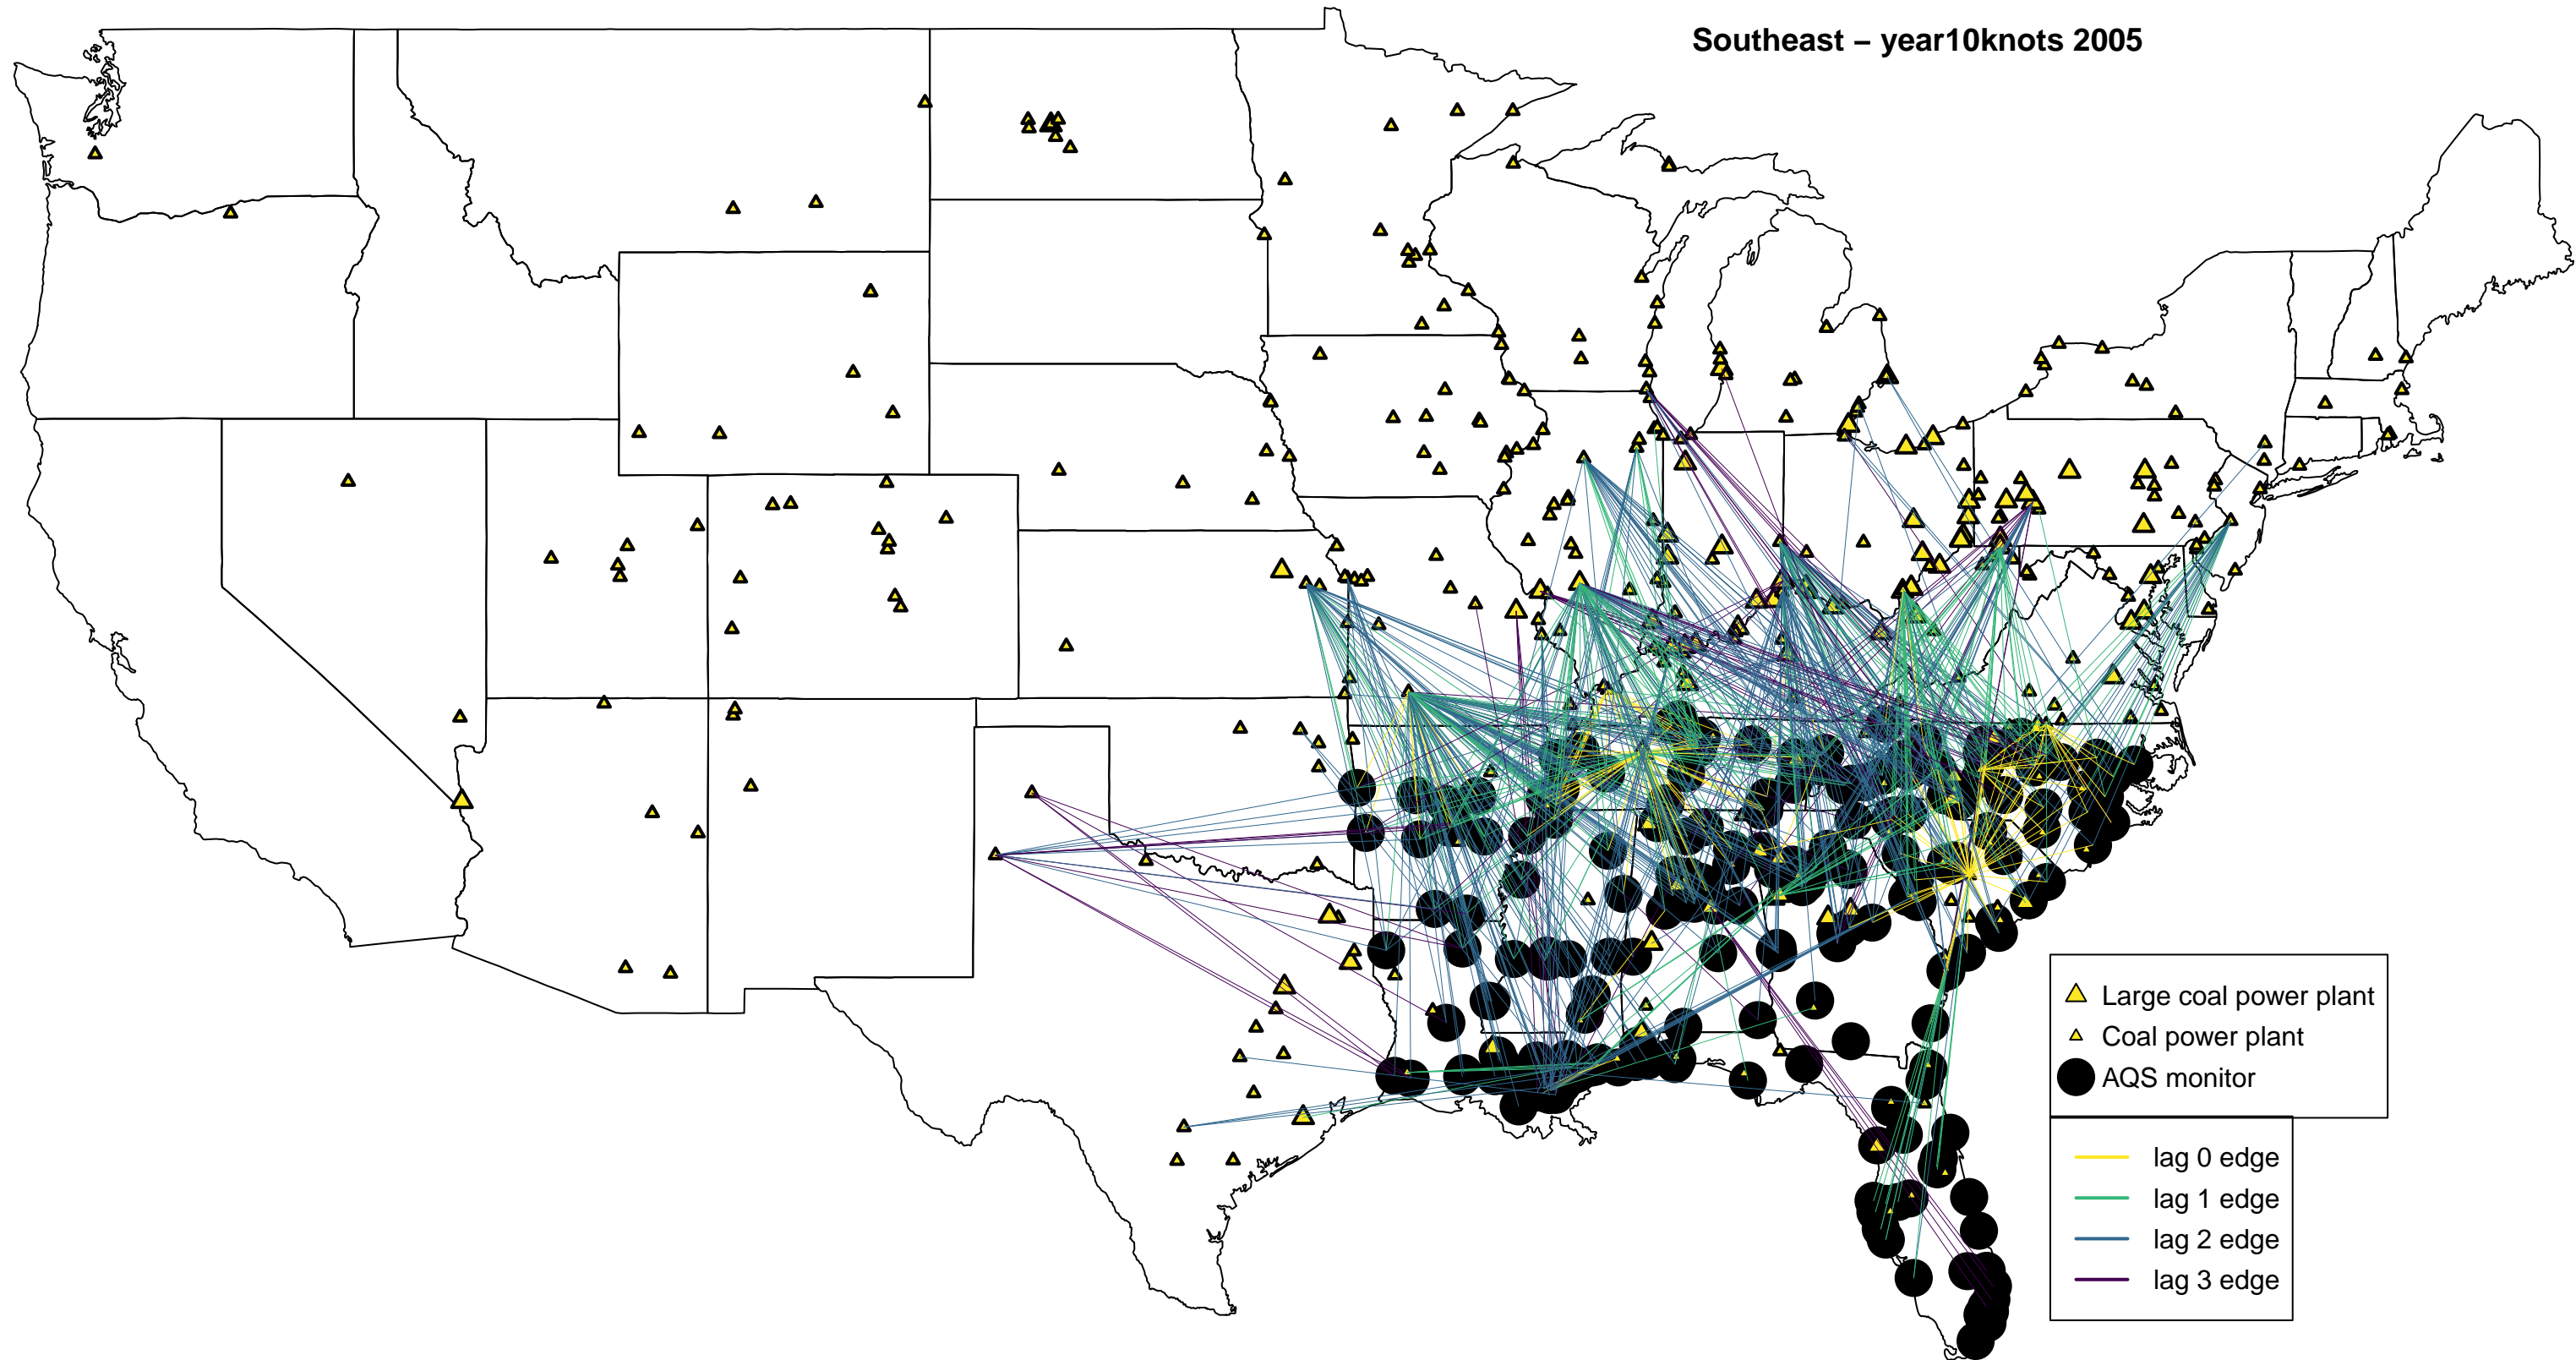

Northeast – year10knots 2005

IndustrialMidwest – year10knots 2005

Southeast – year10knots 2005

Edge Probability by Lag

Edge Probability by Direction from Power Plant to Receptor (Northeast Power Plants)

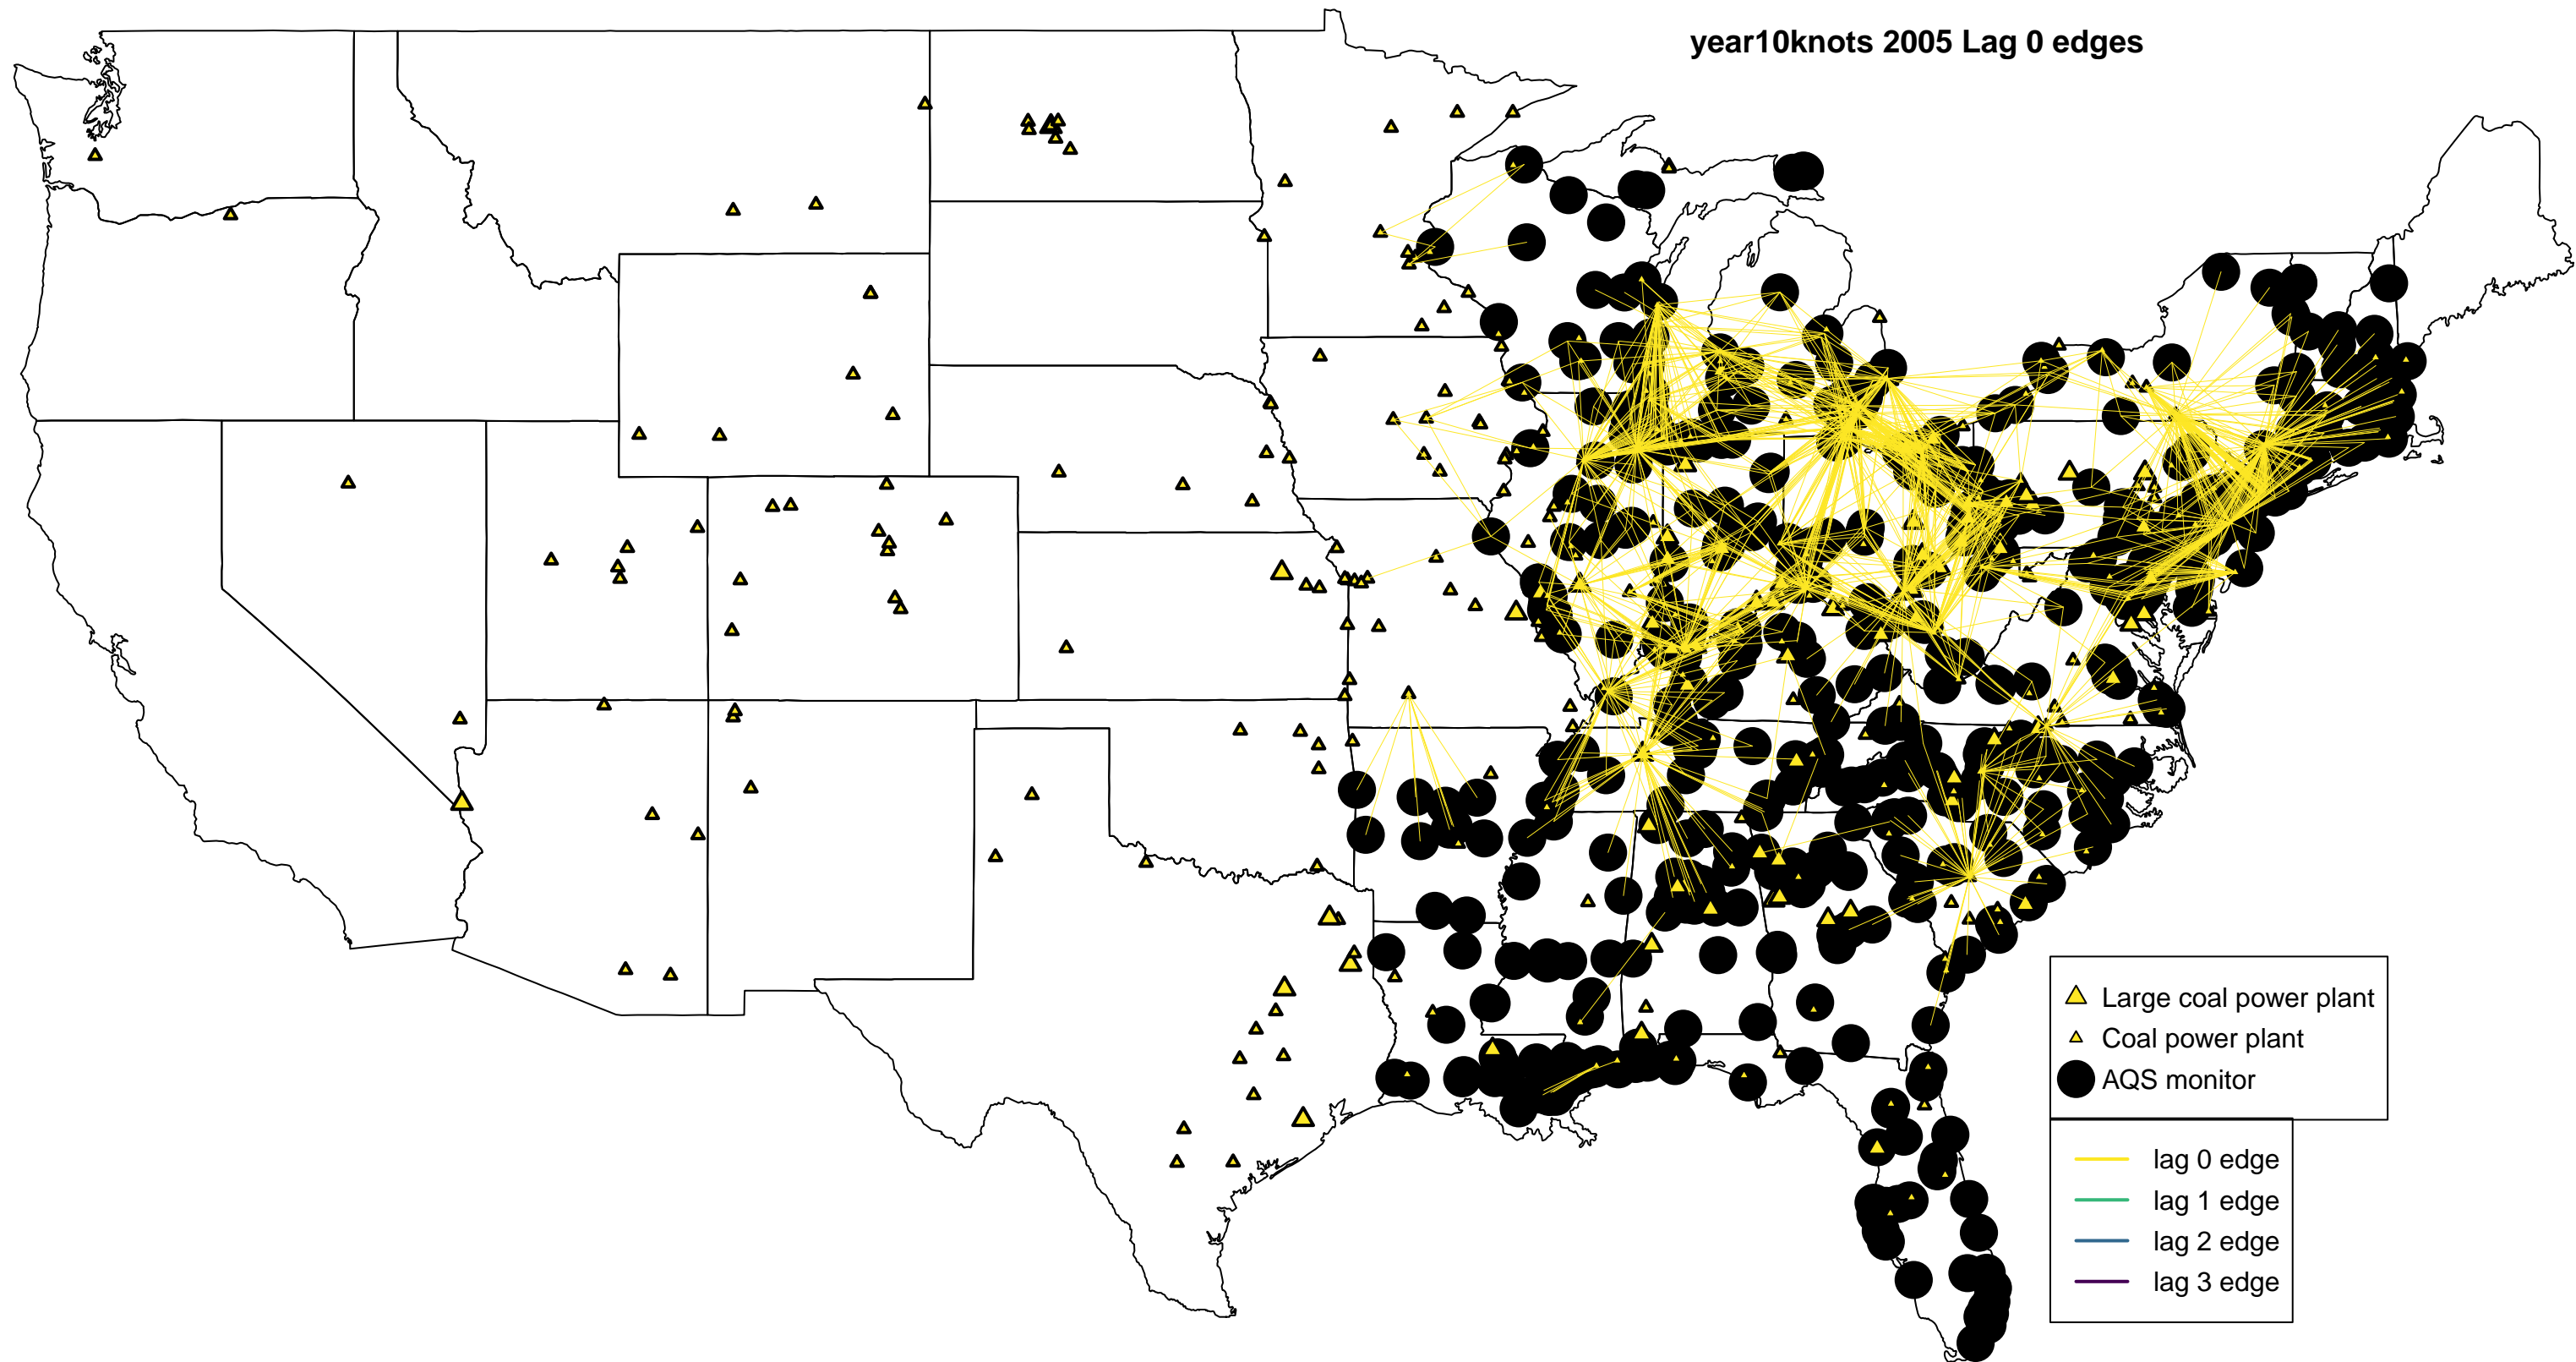

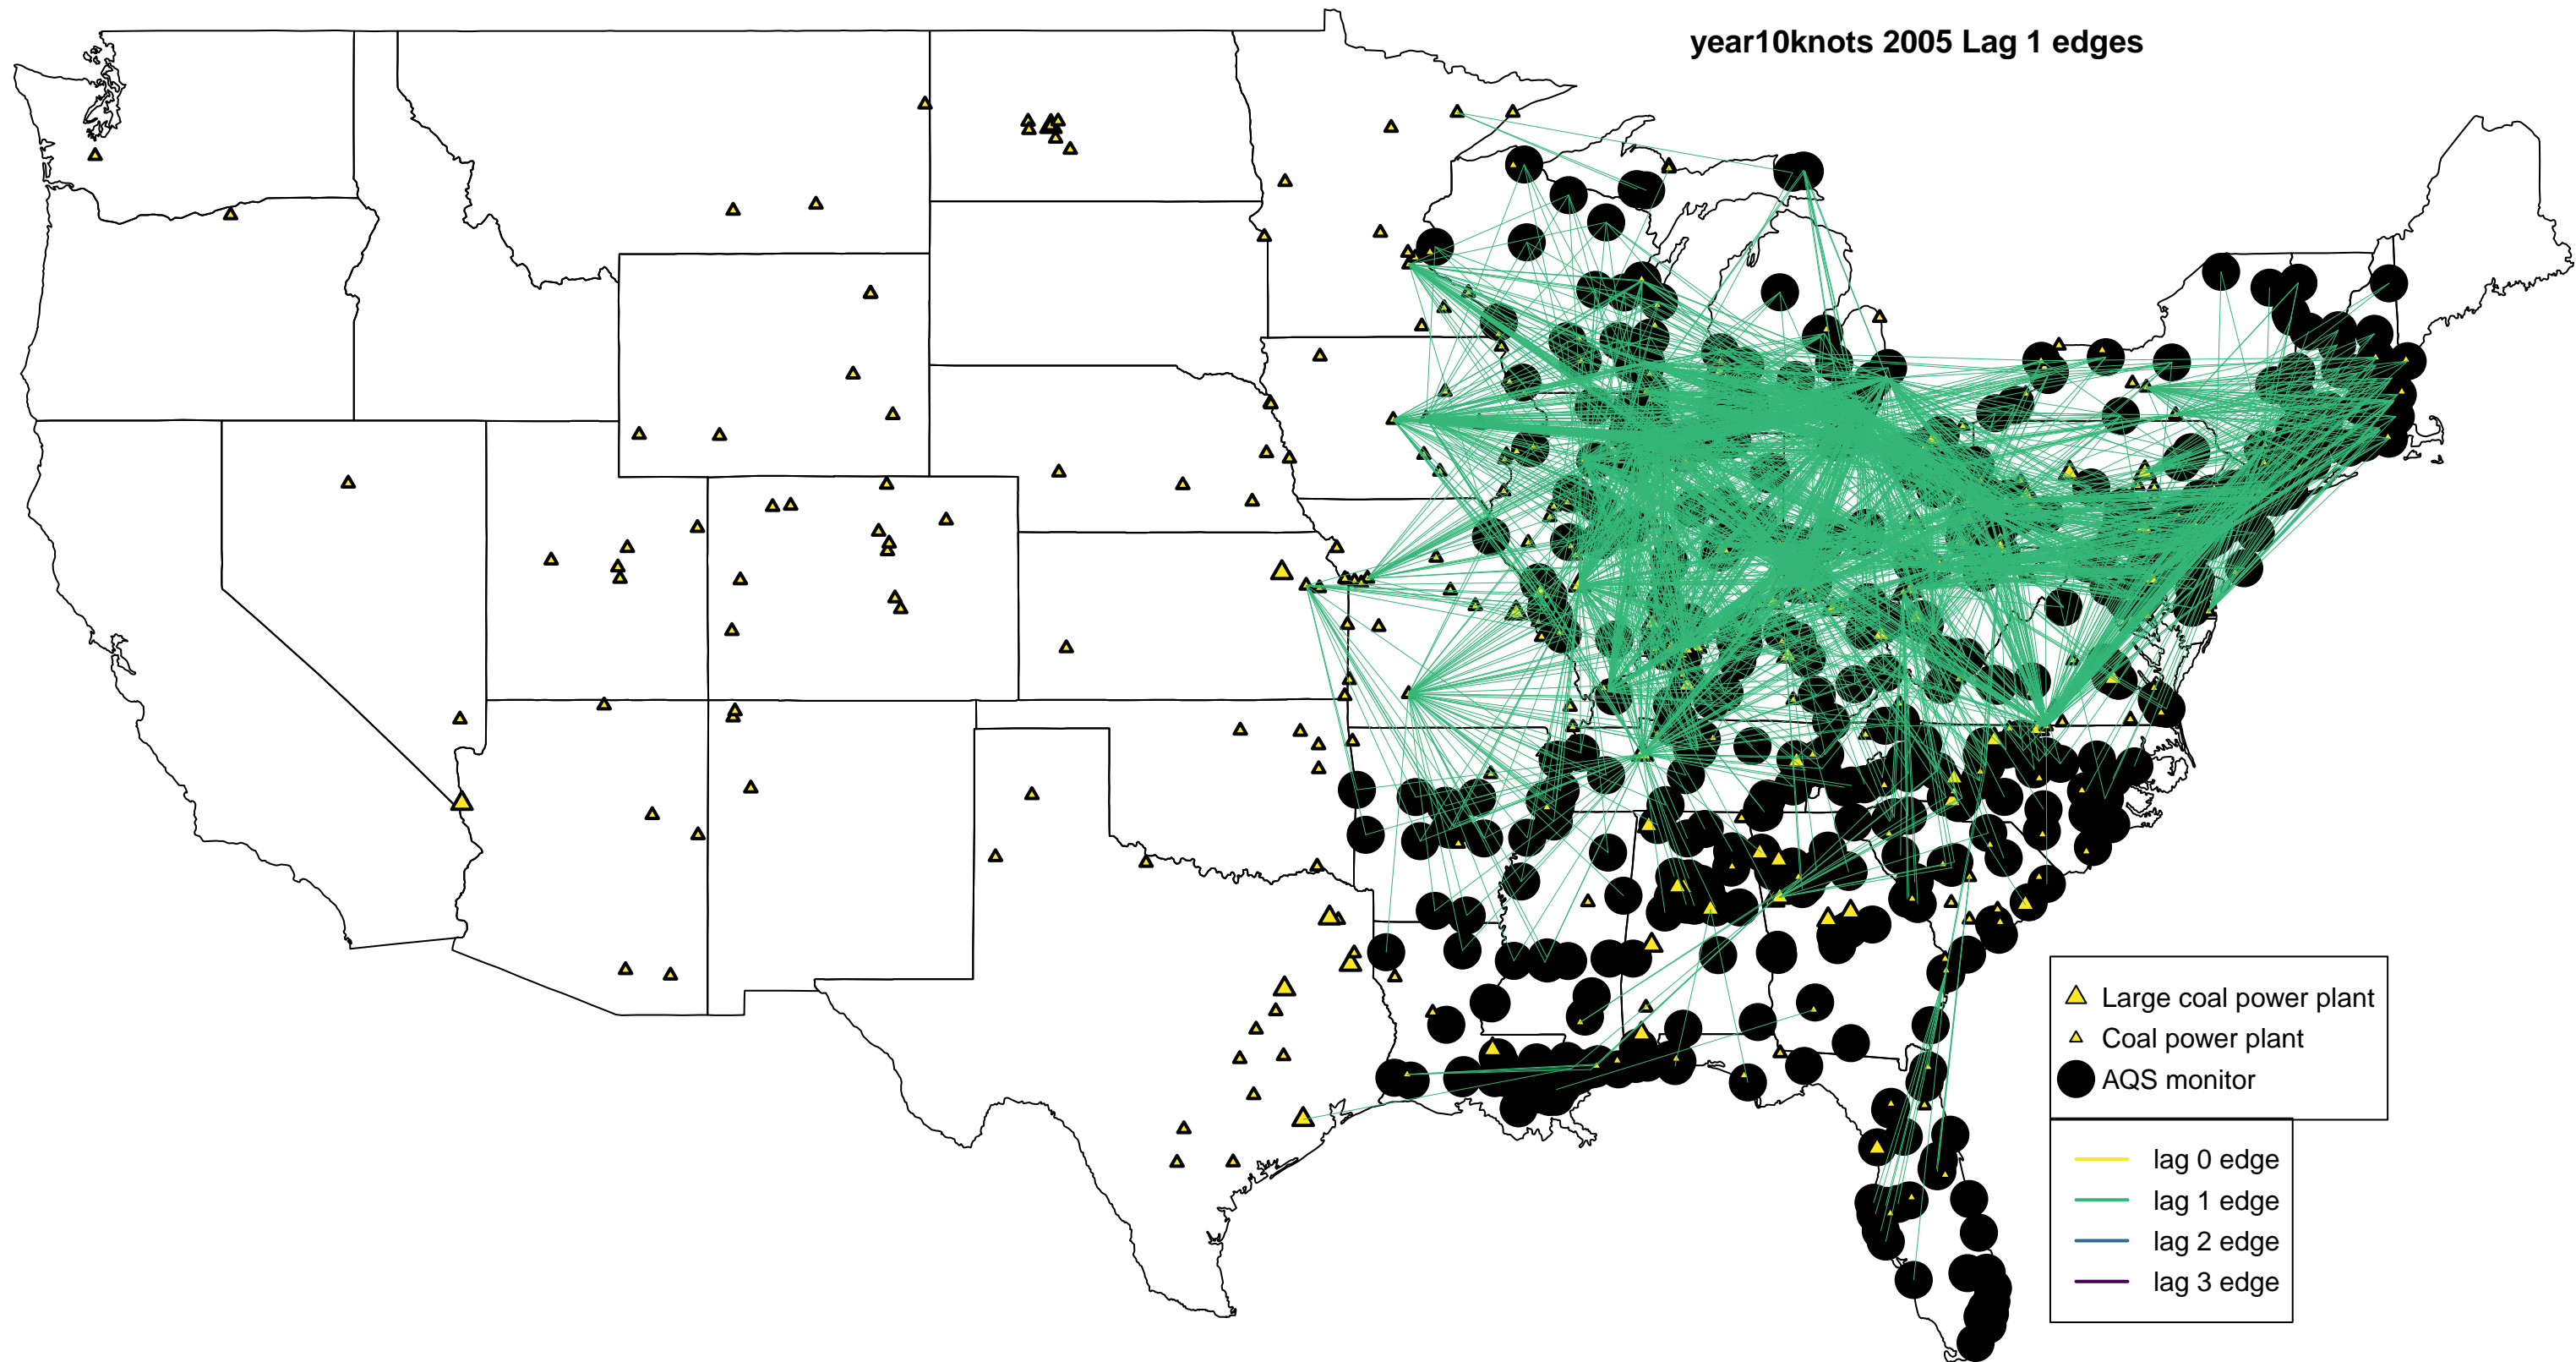

Edge Probability by Direction from Power Plant to Receptor (IndustrialMidwest Power Plants)

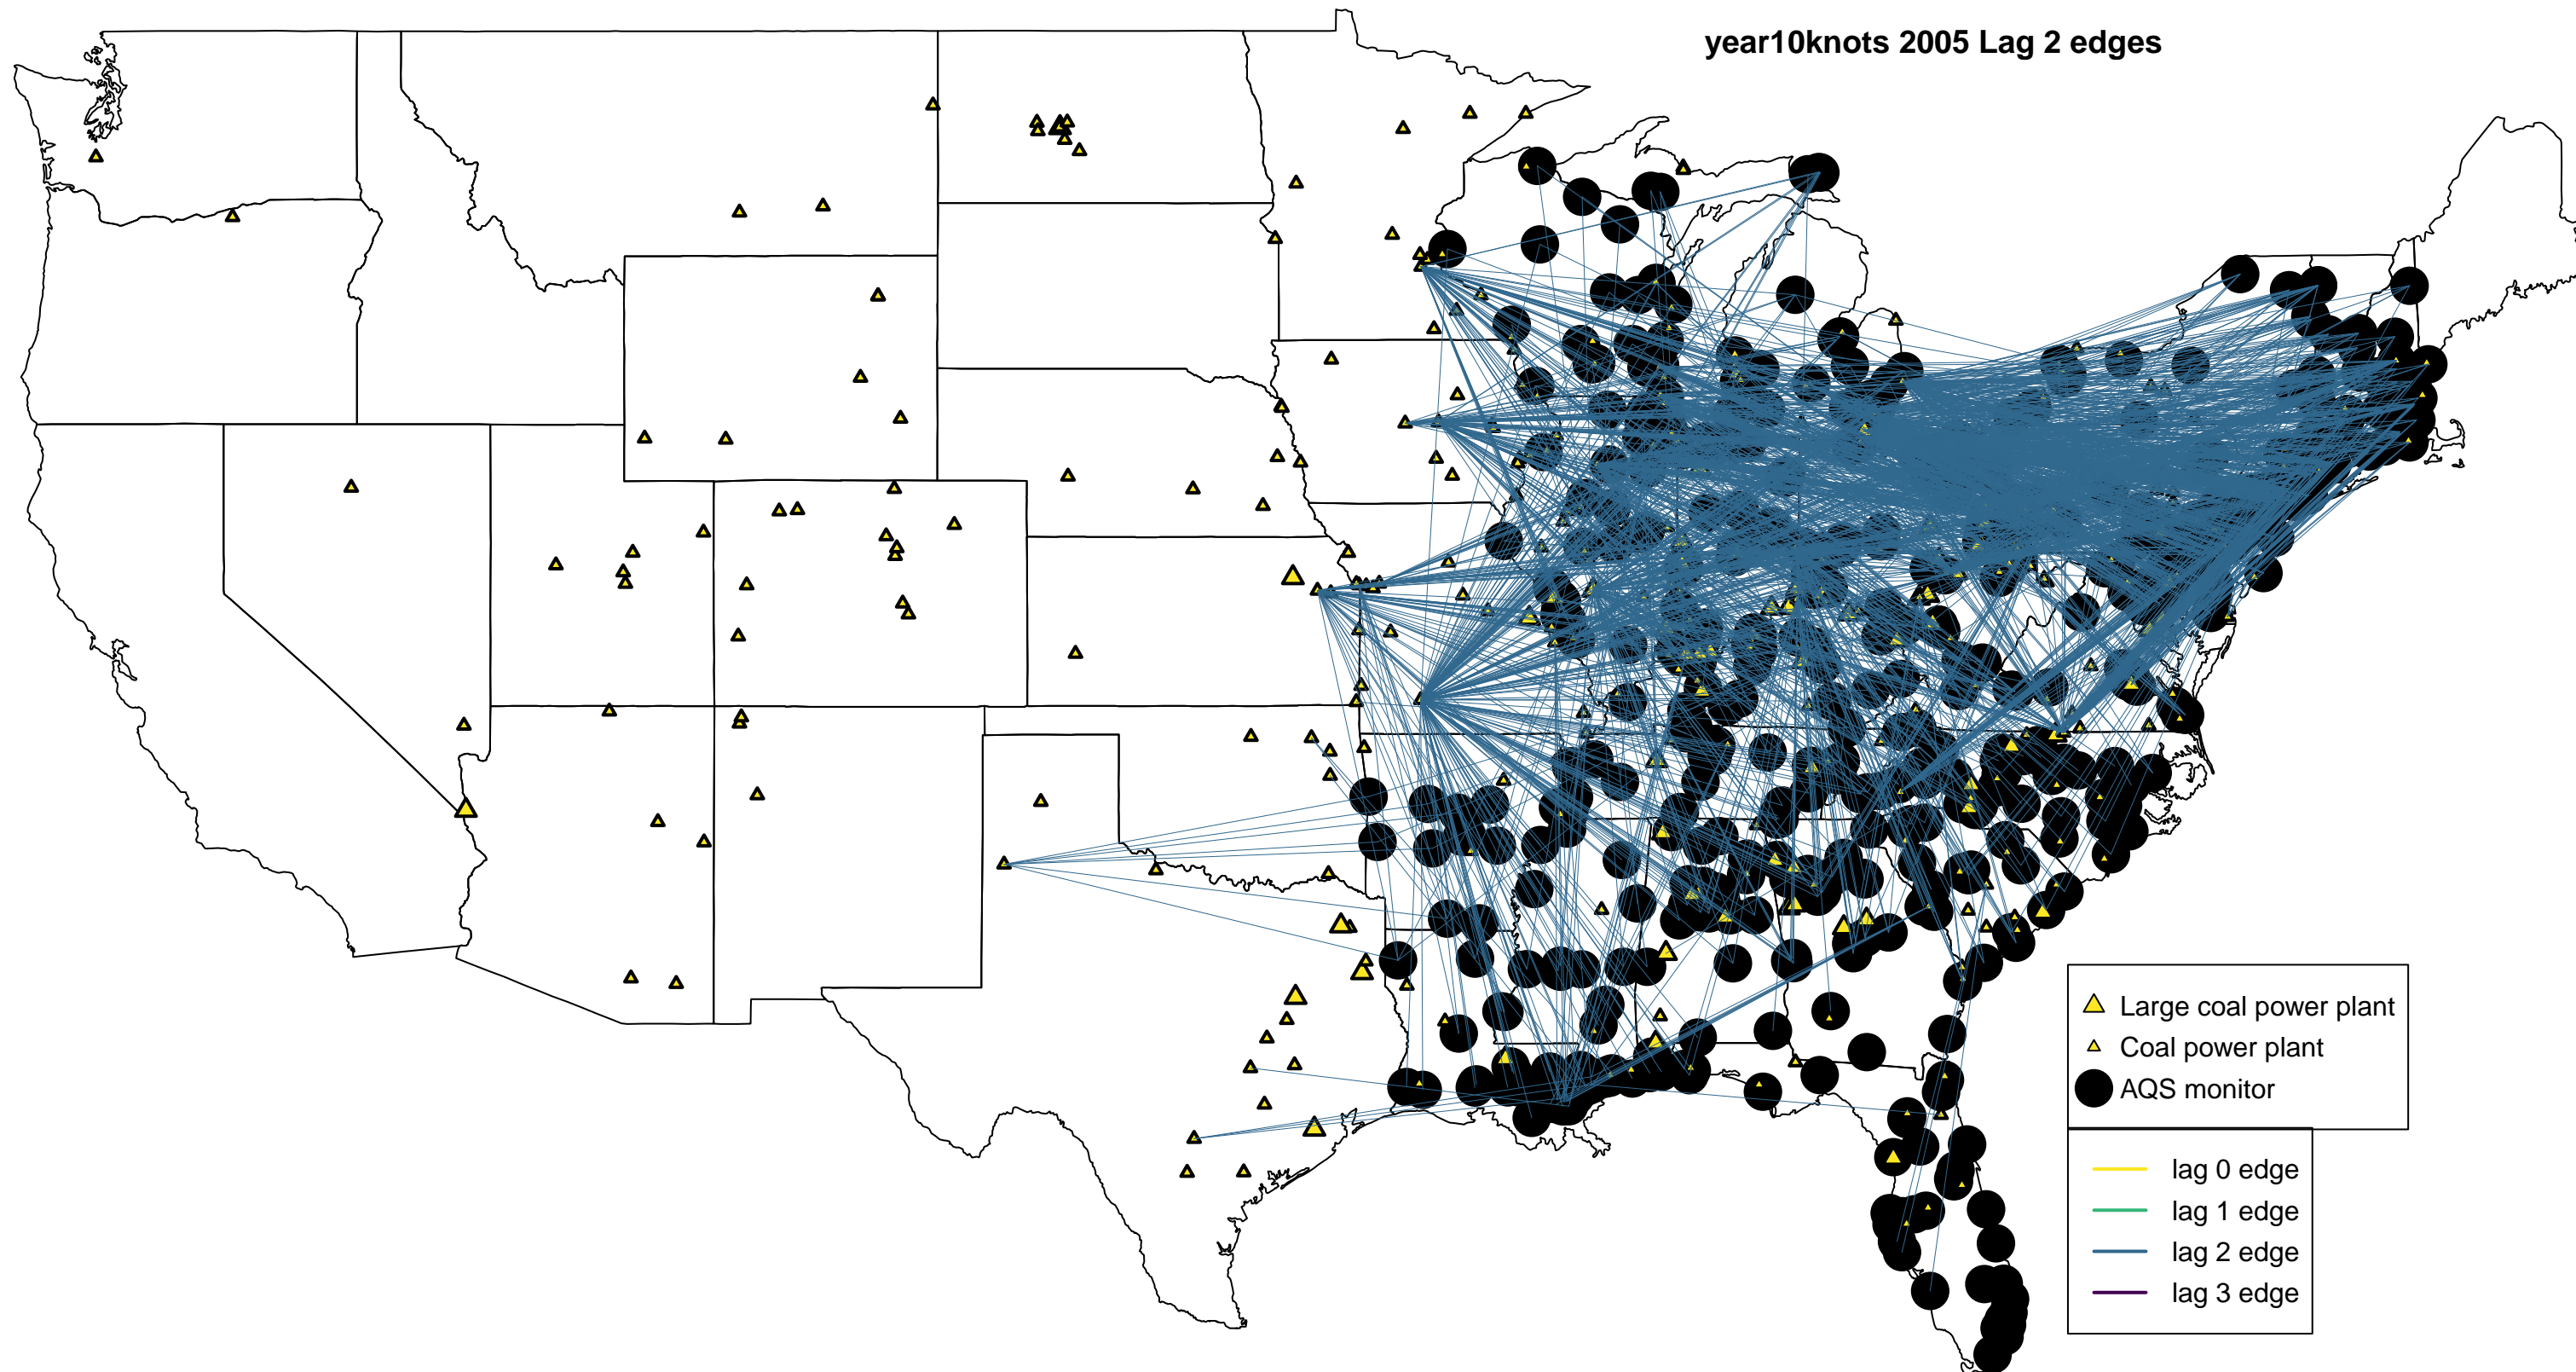

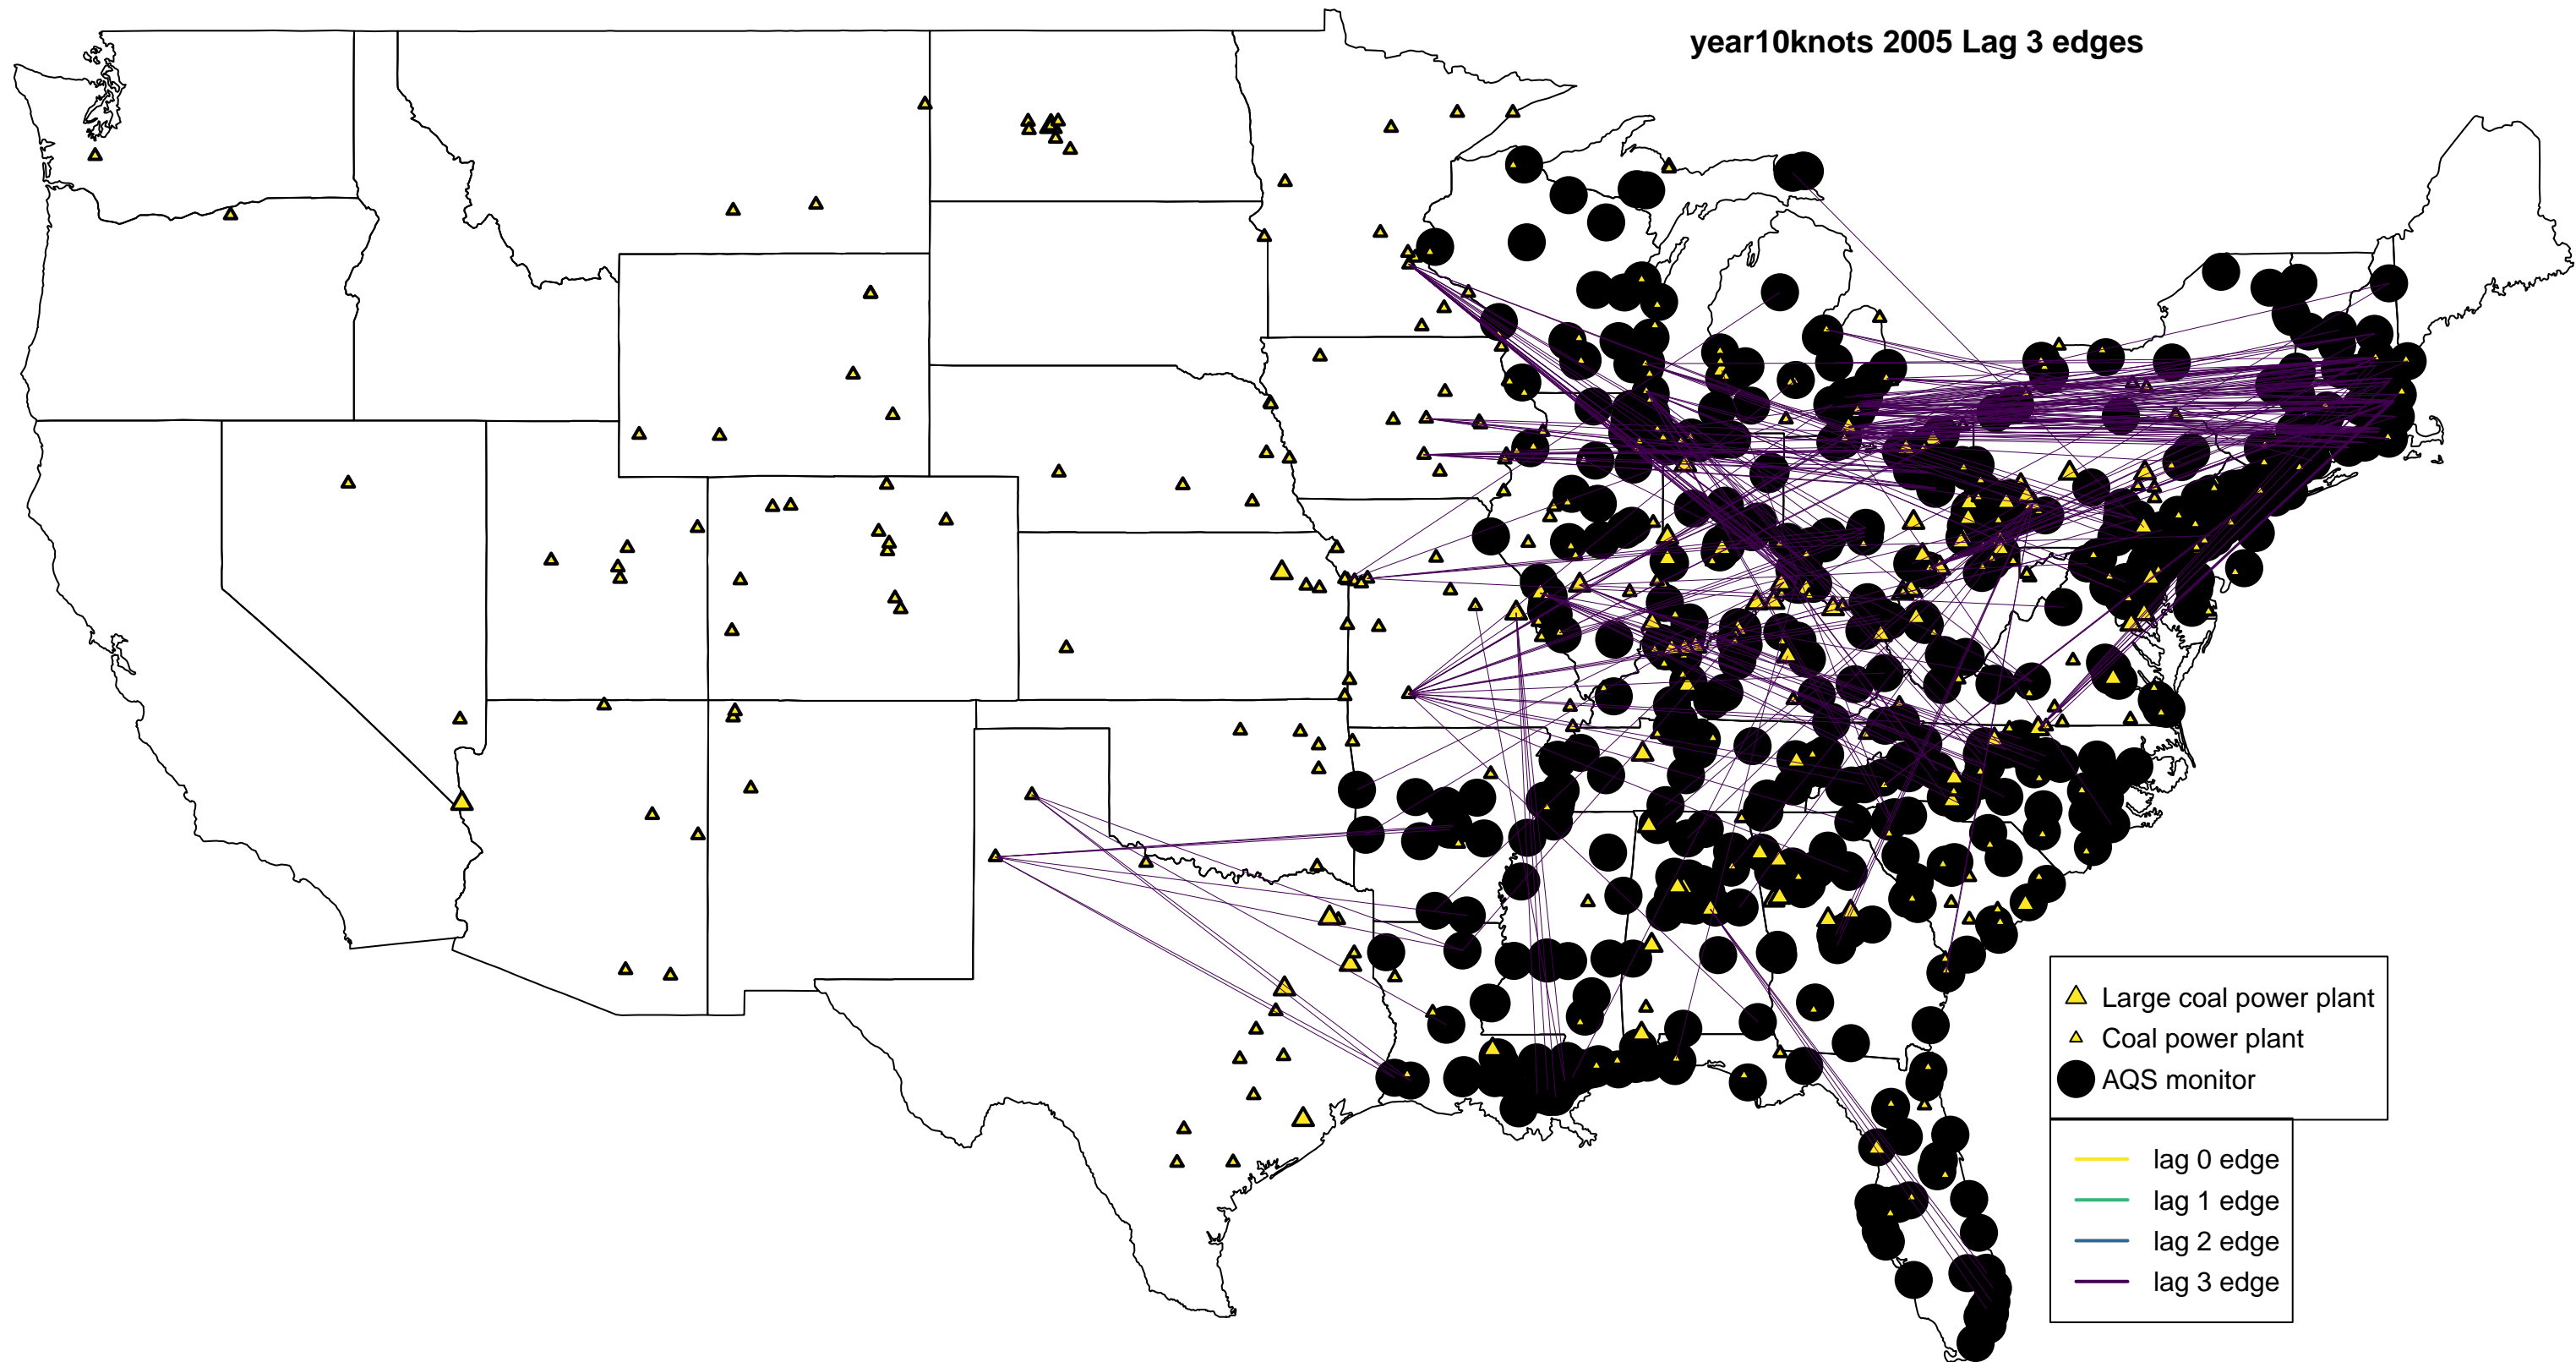

Edge Probability by Direction from Power Plant to Receptor (Southeast Power Plants)
